Effective Human Relations Studu Guide:

Effective Police Supervision Study Guide Chris Rush Burkey, Larry S. Miller, Michael C. Braswell, 2017-03-16 Good police officers are often promoted to supervisory positions with little or none of the training it takes to be a good manager. An understanding of group behaviors and organizational dynamics is necessary to grasp the fundamentals of managing police officers. The Effective Police Supervision Study Guide coordinates with the core text used in many college level classes and police departments to teach supervisory practices in criminal justice. This study guide prepares both students and professionals for academic or promotional exams offering them an opportunity to fully review the material so that they are well prepared for testing. This new edition like the new edition of the textbook it accompanies includes information on the following topics: police accountability, police involvement with news media, the challenges of dealing with social media updates on legal considerations and ways to avoid another controversy like Ferguson, Dallas or Baltimore. *Driver Improvement Analyst* National Highway Traffic Safety Administration (U.S.), 1973. *Studyguide for Effective Human Relations* Cram101 Textbook Reviews, 2016-12-29.
