Eighteen Wheels North to Alaska Cliff Bishop, 2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska's roads and weather but they learned to operate on the back trails and paths always making their way to the trip's end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat Eighteen Wheels North to Alaska A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore

the battle to ensure that he and others like him would no longer be able to evade justice **INCLUDES PHOTOS** **Quantum Criminals** Alex Pappademas, 2023-05-09 Steely Dan was a somewhat unusual band that still inspires unusually strong devotion in its fans Formed in the late 60s in New York they released seven albums between 1971 and 1981 two of which were nominated for a Grammy Part of what's unusual about them is that each of those albums was made by a different group of musicians founding members Walter Becker and Donald Fagen had no issues swapping players from record to record in order to get the sound they wanted The band stopped touring in 1974 so the recording studio was the only place they needed their collaborators Those recordings are legendary especially among vinyl enthusiasts for their exquisite production The precision was necessary in part because Steely Dan played with form more than most bands mixing elements of other genres especially jazz with pop and rock And the lyrics are also distinctive As the authors put it in their proposal Steely Dan's songs are exercises in fictional world building Each song features its own cast of rogues and heroes and creeps and schmucks lovers and dreamers and cold blooded operators all tempest tossed by the ill winds of the 70s This book consists of sixty some essays each devoted to one character and each essay is accompanied by a painting of the particular character that serves as a jumping off point for the piece with additional spot illustrations scattered throughout **Namibia, Society, Sociology** Volker Winterfeldt, Thomas Arthur Fox, Pempelani Mufune, 2002 Twenty two articles on social structures the state poverty religion culture and gender all of which are in some way particular to Namibia its society and the country's embryonic but promising academic discipline of sociology The work is organised into four major sections economy labour and environment social inequalities and institutions traditionalism culture and art and sexuality and health Some examples of the subjects dealt with are gender aspects of labour migration in Namibia the complexities of class formation social exclusion and poverty amongst Namibia's youth cultural identities in contemporary musical traditions Namibian society in fiction and the Namibian novel sexuality as culture sexual cultures in tradition and sexuality and reproductive health and the possibilities of the co existence and collaboration between western and traditional medical systems The book is jointly edited by leading sociologists at the University of Namibia **Media Studies: Content, audiences, and production** Pieter Jacobus Fourie, 2001 This book includes theoretical approaches as well as a production section that focuses on basic techniques and introductory applications of media studies **Broadcast in the U.S.** Vincent Terrace, 2021-09-15 A fun and accessible guide to foreign television series that were later broadcast in or adapted for the U S including popular favorites such as The Office and Doctor Who In Broadcast in the U S Foreign TV Series Brought to America Vincent Terrace delivers a wonderful resource of over 400 foreign television shows broadcast in the United States along with their American adaptations From British comedies like Fawlty Towers and Keeping Up Appearances to the Australian fantasy series The Girl from Tomorrow and the Japanese cartoons Astro Boy and Kimba the White Lion this book explores an often overlooked side of American television and popular culture Each entry includes details regarding the cast genre episodes U S and foreign networks

Wolfe,James E. Akenson,2015-01-13 The swelling interest in popular music studies has far outpaced the outlets for publication With the Country Music Annual scholars students and interested readers have a place for sharing their research and ideas The subjects of this second volume range from one of the very first musicians to make country records Henry Gilliland to the current avant garde work of the alternative country band Uncle Tupolo Ernest Tubb s musical roots the origins of one of Roy Acuff s classic gospel songs and the Carter Family s rhythms are discussed in these pages Even NASCAR makes an appearance Advisory Board Bill C Malone Nolan Porterfield Jimmie Rogers Curtis Ellison William K McNeil Wayne W Daniel Joli Jensen *City Slicker's Guide to Country Living* Becky Condon,2017-07-01 Neighbors Persons living in proximity to other persons Everyone has neighbors Neighbors From Hell Neighbors who are not nice Have you ever had Neighbors From Hell Neighbors are an obvious arrangement in cities or towns Good or bad tidy or messy quiet or noisy nice or mean there are all types City slickers moving to the country invoke the image of space and solitude but there will still be neighbors The space between domiciles might be larger but a bad messy or noisome neighbor can still exist Even with a country home s space and larger area there can still be neighbors that won t contain themselves to their own area Once upon a time there was a young family who had a dream of owning land and operating a farm They became land owners and cattle ranchers building their very own dream house on their very own patch of paradise They worked hard to assimilate to this new lifestyle in a new neighborhood It was everything they d hoped for and they were so happy Then they got neighbors They got Neighbors From Hell These bad neighbors were pushy arrogant and mean Their bad attitudes slovenly habits and meanness aside the neighbors would not contain themselves to their own area They encroached They took what was not theirs They forced themselves into the space and lives of our heroes These neighbors meant to build their house on their property next door to our little family The neighbors property had some unfortunate attributes however and it became clear that their property wasn t very conducive to building a home Astonishingly these neighbors insisted on utilizing portions of property they didn t own to construct their project There were other solutions to the construction dilemmas these neighbors faced but these answers would have been costly They wanted to use our little family s land for free They wanted to steal the property and property rights of our little family These Neighbors From Hell came on over bringing their messes and problems with them and embroiled our little family in a battle for their rights and their very lives When our heroes stood firm on their property rights these awful neighbors tried it anyway When the young couple complained the neighbors lied When the family sought the help of the authorities they found out the difficulties of fighting city hall when the local power came to the aid and assistance of their county crony even in the face of proven and documented lies The common refrain used as their excuse for

lies and deceit was Y all aren t from around here are you This bigotry and clannish attitude was brought to full force against our little family whose only desire was to be left alone on their own land When the neighbors couldn t steal the part of the land they were after they tried to take everything Using their friends in county authority and the local judiciary they brought the fight of our young heroes lives Does the young family survive Can they win against the local establishment and seemingly insurmountable odds What do you do when your neighbors are the Neighbors From Hell What do you do when the Neighbors From Hell have friends in high places What do you do when they threaten your home your livelihood and your family Everyone knows fighting city hall can be a pointless fight rarely won But what do you do when city hall brings the fight to you Sometimes you have to stand and fight
