El Dilema De Trino:

El dilema de Trino Diane Gonzales Bertrand, 2005-10-31 Gonzales Bertrand's award winning novel for young adults is finally available in Spanish. A dramatic and realistic contemporary novel about a Latino boy struggling to grow into manhood and somehow make the right choices in the absence of adult guidance. Booklist *The Ruiz Street Kids / Los muchachos de la calle Ruiz* Diane Gonzales Bertrand, 2006-01-01 Adventures of several children in a largely Hispanic but still diverse neighborhood. [The Greenwood Encyclopedia of Latino Literature](#) Nicolás Kanellos, 2008-08-30 From East L.A. to the barrios of New York City and the Cuban neighborhoods of Miami, Latino literature or literature written by Hispanic peoples of the United States is the written word of North America's vibrant Latino communities. Emerging from the fusion of Spanish, North American, and African cultures, it has always been part of the American mosaic. Written for students and general readers, this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present. Aiming to be as broad and inclusive as possible, the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain. Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors. While most of the entries are on writers such as Julia Alvarez, Sandra Cisneros, Lorna Dee Cervantes, Oscar Hijuelos, and Piri Thomas, others cover genres, ethnic and national literatures, movements, historical topics and events, themes, concepts, associations, and organizations, and publishers and magazines. Special attention is given to the cultural, political, social, and historical contexts in which Latino literature has developed. Entries cite works for further reading, and the encyclopedia closes with a selected general bibliography. The encyclopedia gives special attention to the social, cultural, historical, and political contexts of Latino literature, thus making it an ideal tool to help students use literature to learn about history and cultural diversity.

There's a Name for this Feeling: Stories / Hay un nombre para lo que siento: cuentos Diane Gonzales Bertrand, 2014-05-31 In the title story, Lucinda hatches a clever plan to get her boyfriend back and is crushed when she ultimately realizes that it's impossible to force a guy to love you. Like all young people, she ignores the advice of her mom and learns that lesson and many more the hard way. In this bilingual collection of ten short stories for young people, kids deal with both serious and humorous consequences after they ignore their parents' suggestions and disobey rules. At a friend's house on New Year's Eve, Raymond plays with fireworks even though he promised his parents he wouldn't. Kids on a track team search for a mysterious naked woman with embarrassing results. And two girls in a wax museum are in for a surprise when they ignore the signs about touching the figures. These short and accessible contemporary stories are alternately amusing and poignant as they explore issues relevant to today's youth. Teens deal with everything from grandparents suffering from dementia to difficult customers at a first job. And in one story, a young girl grieves the loss of her baby, a miscarriage her mom calls a blessing. These stories highlight the emotional tailspins of living in
