Hybrid Identity and the Utopian Impulse in the Postmodern Spanish-American Comic Novel Paul R. McAleer,2015 The author examines the role of comedy in the novels of four key postmodern Spanish American writers Gustavo Sainz Alfredo Bryce Echenique Jaime Bayly and Fernando Vallejo An important but often overlooked function of comedy is its intrinsic relation to questions of identity This relationship furthermore is connected to another traditional feature of comedy the utopian impulse This book analyses these functions of comedy in the novels of four key postmodern Spanish American writers Gustavo Sainz Alfredo Bryce Echenique Fernando Vallejo and Jaime Bayly Focusing on the correlation between changing concepts of identity and the hybrid cultural context of the late 20th century it examines the issues of individual and social identities expressed by these authors in their inscription and distortion of the comic genre as well as in their usage of different modes of comedy It views the novels comic aspects as symptoms of hybridity which according to many theorists have brought about the dissolution of concepts such as the self and society and utopian modernity These symptoms are studied in tandem with the individual themes of the novels such as gender sexuality class and global migration as well as the post national question of Peruvian Colombian and Mexican identity Paul McAleer is Lecturer in Hispanic Studies at the University of Hull

A History of Peruvian Literature James Higgins,1987 Peru which in this century has produced world renowned novelists of the stature of Mario Vargas Llosa and Jos Mar a Arguedas and poets such as the avant garde C sar Vallejo possesses a distinctive and varied literary culture of great intrinsic value Peru s Spanish colonial past connects it to the mainstream of Western literature but native traditions have survived and continue to flourish both in Quechua and in Spanish Attempts to evade the colonial heritage gave rise to a literature which at first was limited to expressing the ethos of Lima s middle classes but later broadened out to reflect regional values and give a voice to marginal sectors in Peruvian society A History of Peruvian Literature sets in context and appraises with ample quotation and analysis all of the more significant Peruvian writings from the Renaissance onwards The native tradition the colonial period and the nineteenth century are the subjects of the first three chapters then four chapters are devoted to the twentieth century when Peruvian literary output is astonishing in its range adventurousness and quality All Spanish quoted is translated into English the poetry in James Higgins excellent verse full bibliographies are provided for each author discussed Revista iberoamericana ,1998
