El "moro" entre los primitivos

Josep Lluís Mateo Dieste, 1996 [Colonial Soldiers in Europe, 1914-1945](#) Eric Storm, Ali Al Tuma, 2015-12-22 During the first half of the twentieth century European countries witnessed the arrival of hundreds of thousands of colonial soldiers fighting in European territory First and Second World War and Spanish Civil War and coming into contact with European society and culture For many Europeans these were the first instances in which they met Asians or Africans and the presence of Indian, Indo Chinese, Moluccan, Senegalese, Moroccan or Algerian soldiers in Europe did not go unnoticed This book explores this experience as it relates to the returning soldiers who often had difficulties re adapting to their subordinate status at home and on European authorities who for the first time had to accommodate large numbers of foreigners in their own territories which in some ways would help shape later immigration policies

La Administración del protectorado español en Marruecos Varios autores, 2014-05-01 Esta obra se publicó con motivo del centenario de la creación del Protectorado español en Marruecos A estos efectos trece profesores de Universidad han reunido sus esfuerzos para ofrecer al lector una trama argumental lo más amplia, objetiva y completa posible del Protectorado que España ejerció en Marruecos desde 1912 hasta 1956 centrándose preferentemente en los aspectos políticos administrativos e institucionales más relevantes No es por tanto una Historia definitiva pero sí una perspectiva metodológica imprescindible En ese año de 1912 cuando se inicia uno de los episodios de nuestra Historia que más tiempos ha producido en el imaginario histórico el desastre de Annual el desembarco de Alhucemas el mundo de los africanistas el servicio militar en Marruecos o el Tercio de extranjeros La visión de esta etapa sólo podrá completarse desde una triple perspectiva la de los españoles peninsulares la de los marroquíes y la de

quienes vivieron y asumieron ese pequeño territorio bajo aquella singular organización política durante casi medio siglo La función de la Alta Comisaría del Protectorado la acción protectora a través de la oficina de intervención el dispensario médico y la escuela la figura de los interventores la organización sanitaria las instituciones educativas y culturales las instituciones judiciales y el derecho hispano marroquí la Administración Militar y los últimos años del Protectorado son algunos de los temas que se han abordado en esta obra Por supuesto que aunque la historia del Protectorado no se agota en estas trece visiones al menos los trabajos agrupados en esta obra tratan los aspectos más relevantes de la historia del Protectorado De hecho este libro formula interrogantes propone reflexiones y deja la puerta abierta a nuevas interpretaciones En definitiva no queda trabajo para los historiadores en este campo del Protectorado que no siempre lo fue de batalla

In Praise of Historical Anthropology Alexandre Coello de la

Rosa,Josep Lluís Mateo Dieste,2020-01-24 In Praise of Historical Anthropology is based on a fundamental conviction the study of society cannot be undertaken without considering the weight of history and separations between disciplines in academics need to be bridged for the benefit of knowledge Anthropology cannot be limited to situating its object in its immediate context rather its true subject of study is society as a historical problem The book describes the complex attempts to transcend this separation presenting perspectives methodologies and direct applications for the study of power relations and systems of social classification paying special attention to the reconstruction of colonial situations Following the maxim expounded by John and Jean Comaroff this book will help us understand that historical anthropology is not a matter of merging the two disciplines of anthropology and history but rather considering societies in their historically situated dimension and applying the tools of the social and human sciences to the analysis In this vein the book reviews the complex attempts to bridge disciplinary separations and theoretical proposals coming from very different traditions The text consequently opens up hegemonic perspectives to include other anthropologies

Spain's African Colonial Legacies

Yolanda Aixelà-Cabré,2022-02-14 The African cities of Bata and Al Hoceima were created during the Spanish colonial rule of Equatorial Guinea and Morocco This book constructs their local history to analyse how Spanish colonialism worked what its legacies were and the imprints it left on their national histories The work explains the revision of collective memories of the past in the present as a form of decolonisation that seeks to build different foundations for the future in a transnational and glocal framework The result is an exciting puzzle of individual and collective memories in which Africans contest their colonial cultural heritage and shape their identities at a global level
