

# El Nicaraguense

**Elizabeth Perkins**

## **El Nicaraguense:**

A Transnational Analysis of Representations of the US Filibusters in Nicaragua, 1855-1857 Andreas Beer, 2016-10-07 This book investigates how the encounter between the U S filibuster expedition in 1855 1857 and Nicaraguans was imagined in both countries The author examines transnational media and gives special emphasis to hitherto neglected publications like the bilingual newspaper El Nicaraguense The study analyzes filibusters direct influence on their representations and how these form the basis for popular collective memories and academic discourses **Crossing Empires** Kristin L. Hoganson, Jay Sexton, 2020-01-03 Weaving U S history into the larger fabric of world history the contributors to Crossing Empires de exceptionalize the American empire placing it in a global transimperial context They draw attention to the breadth of U S entanglements with other empires to illuminate the scope and nature of American global power as it reached from the Bering Sea to Australia and East Africa to the Caribbean With case studies ranging from the 1830s to the late twentieth century the contributors address topics including diplomacy governance anticolonialism labor immigration medicine religion and race Their transimperial approach whether exemplified in examinations of U S steel corporations partnering with British imperialists to build the Ugandan railway or the U S reliance on other empires in its governance of the Philippines transcends histories of interimperial rivalries and conflicts In so doing the contributors illuminate the power dynamics of seemingly transnational histories and the imperial origins of contemporary globality Contributors Ikuko Asaka Oliver Charbonneau Genevieve Clutario Anne L Foster Julian Go Michel Gobat Julie Greene Kristin L Hoganson Margaret D Jacobs Moon Ho Jung Marc William Palen Nicole M Phelps Jay Sexton John Soluri Stephen Tuffnell Filibusters and Financiers William Oscar Scroggs, 1916 *William Walker's Wars* Scott Martelle, 2018-11-06 In the decade before the onset of the Civil War groups of Americans engaged in a series of longshot and illegal forays into Mexico Cuba and other Central American countries in hopes of taking them over These efforts became known as filibustering and their goal was to seize territory to create new independent fiefdoms which would ultimately be annexed by the still growing United States Most failed miserably William Walker was the outlier Short slender and soft spoken with no military background he trained as a doctor before becoming a lawyer and then a newspaper editor Walker was an unlikely leader of rough hewn men and adventurers But in 1856 he managed to install himself as president of Nicaragua Neighboring governments saw Walker as a risk to the region and worked together to drive him out efforts aided incongruously by the United States original tycoon Cornelius Vanderbilt William Walker s Wars is a story of greedy dreams and ambitions the fate of nations and personal fortunes and the dark side of Manifest Destiny for among Walker s many goals was to build his own empire based on slavery This little remembered story from US history is a cautionary tale for all who dream of empire *Five Hundred Years of LGBTQIA+ History in Western Nicaragua* Victoria González-Rivera, 2024-10-08 This groundbreaking book reframes five hundred years of western Nicaraguan history by giving gender and sexuality the attention they deserve Victoria Gonz lez

Rivera decenters nationalist narratives of triumphant mestizaje and argues that western Nicaragua's LGBTQIA history is a profoundly Indigenous one. In this expansive history, González Rivera documents connections between Indigeneity, local commerce, and femininity, cis and trans, demonstrating the long history of LGBTQIA Nicaraguans. She sheds light on historical events such as Andrés Bello's 1536 burning at the stake for sodomy. González Rivera discusses how elite efforts after independence to modernize open air markets led to increased surveillance of LGBTQIA working class individuals. She also examines the 1960s and the Somoza dictatorship when another wave of persecution emerged targeting working class gay men and trans women, leading to a more stringent anti-sodomy law. The centuries prior to the post-1990 political movement for greater LGBTQIA rights demonstrate that far from being marginal, LGBTQIA Nicaraguans have been active in every area of society for hundreds of years.

**Empire by Invitation** Michel Gobat, 2018-04-02 Michel Gobat traces the first U.S. overseas empire to William Walker, a believer in the nation's manifest destiny to spread not only westward but abroad. In the 1850s, Walker and a band of expansionists migrated to Nicaragua to free the masses from allegedly despotic elites. But what began with promises of liberation devolved into a reign of terror.

*River of Dark Dreams* Walter Johnson, 2013-02-26 *River of Dark Dreams* places the Cotton Kingdom at the center of worldwide webs of exchange and exploitation that extended across oceans and drove an insatiable hunger for new lands. This bold reaccounting dramatically alters our understanding of American slavery and its role in U.S. expansionism, global capitalism, and the upcoming Civil War.

**Nicaragua, post report**, 1983

*The Fatal Environment* Richard Slotkin, 2024-01-23 A two-time National Book Award finalist's ambitious and provocative look at Custer's Last Stand, capitalism, and the rise of the cowboys and Indians legend. The New York Review of Books. In *The Fatal Environment*, historian Richard Slotkin demonstrates how the myth of frontier expansion and subjugation of Native Americans helped justify the course of America's rise to wealth and power. Using Custer's Last Stand as a metaphor for what Americans feared might happen if the frontier should be closed and the savage element be permitted to dominate the civilized, Slotkin shows the emergence by 1890 of a mythos redefined to help Americans respond to the confusion and strife of industrialization and imperial expansion. A clearly written, challenging, and provocative work that should prove enormously valuable to serious students of American history. The New York Times. An arresting hypothesis. Henry Nash Smith. *American Historical Review*.

**Confronting the American Dream** Michel Gobat, 2005-12-27 Asks how a virulent anti-Americanism developed in a Nicaraguan society that also seemed to embrace Americanization fervently and explores the historical roots of this paradox.

**Food and Revolution** Christiane Berth, 2021-02-02 Food policy and practices varied widely in Nicaragua during the last decades of the twentieth century. In the 1970s and 80s, food scarcity contributed to the demise of the Somoza dictatorship and the Sandinista revolution. Although faced with widespread scarcity and political restrictions, Nicaraguan consumers still carved out spaces for defining their food choices. Despite economic crises, rationing, and war limiting people's food selection, consumers responded with improvisation in daily cooking practices and organizing.

food exchanges through three distinct periods First the Somoza dictatorship 1936 1979 promoted culture and food practices from the United States which was an option only for a minority of citizens Second the 1979 Sandinista revolution tried to steer Nicaraguans away from mass consumption by introducing an austere frugal consumption that favored local products Third the transition to democracy between 1988 and 1993 marked by extreme scarcity and economic crisis witnessed the re introduction of market mechanisms mass advertising and imported goods Despite the erosion of food policy during transition the Nicaraguan revolution contributed to recognizing food security as a basic right and the rise of peasant movements for food sovereignty

**Conflict In Nicaragua** Jiri Valenta,2019-04-09 The issue of Nicaragua arouses political passions those that we see expressed almost daily in the newspapers of Europe Latin America and the United States Few issues are more divisive within the politics of certain countries and the evolution of the Nicaraguan drama threatens to drive a wedge between countries that are friends allies and par

*Culture and Customs of Nicaragua* Steven F. White,Esthela Calderon,2008-01-30 Throughout its history Nicaragua has been plagued by corruption social and racial inequality civil unrest and foreign interference Yet despite being the second poorest nation in South America Nicaragua maintains a rich and vibrant culture that reflects its strong Catholic devotion diverse indigenous roots and overwhelming zest for life Culture and Customs of Nicaragua introduces students and general readers to Nicaragua s unique blend of religious and traditional holidays so numerous that the country is said to be in a constant state of celebration its growing film industry its many styles of dance

the popular street theatre open to all bystanders important contributions to Spanish literature local cuisines architecture social norms and more Readers learn what it is like to live in one of Latin America s most disillusioned countries but also discover the passionate culture that defines and sustains the Nicaraguan people      **The Works of Hubert Howe Bancroft.**

**History of Central America** Hubert Howe Bancroft,2024-05-29 Reprint of the original first published in 1887

**America's Road to Empire** Piero Gleijeses,2021-09-09 America s Road to Empire surveys and analyses United States foreign relations from the country s independence in 1776 until its entry into World War One in 1917 using primary source materials and case studies The book covers key themes including the role that notions of white superiority played in US foreign policy the search for absolute security that repeatedly led the United States to trample on the liberties of other countries and the idea of American exceptionalism the clash between the idealism of US rhetoric and its actions which has led to a persistent failure to understand how European U S policy actually was Whilst providing analytical overview Piero Gleijeses also uses case studies which examine overlooked aspects of U S foreign policy particularly concerning marginalized populations He draws on archival U S and European primary sources and incorporates the latest research from the US British French and Spanish archives as well as newspapers from the United States Britain France Germany Spain and Mexico A highly original account of the United States rise to power drawing on multilingual scholarship this is an important book for all students and scholars of United States foreign relations up to the First World War      **History of Central America.**
