Exposition Of Colossians:

An Exposition of the Epistle of St. Paul to the Colossians John Davenant, Josiah Allport, 1831 *Colossians and Philemon* MacArthur *New Testament Commentary* John MacArthur, 1992-11-10 From whatever angle one views the modern age Colossians and Philemon are up to date Their timeless truth speaks to the dilemmas facing the world today Colossians focuses on Jesus Christ presenting Him as the ultimate answer to any problem And Philemon highlights forgiveness illustrating the power and freedom of forgiving others Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **CHRIST ALL SUFFICIENT** Brian G. Hedges, 2016-10-01 Paul's letter to the Colossians is short but it delivers a roundhouse kick to religion as it reveals the complete and inexhaustible sufficiency of Jesus Christ Jesus really is everything we need Paul revealed in the good news that had captured his heart He never got over it and never moved beyond it He knew that no one could advance beyond the essential message of the crucified risen and exalted Christ And he didn't want anyone to retreat from it *Commentary on Colossians* Vincent Cheung, 2014-11-25 Paul's letter to the Colossians weaves together high theology with holy living and exhortations with warnings Its main theme is the fullness of Christ and the fullness that Christians have in him Christ's person and work are complete and Christians have benefited from this completeness Any attempt to supplement or replace the person and work of Christ therefore undermines and devalues him and compromises the Christian faith This commentary confronts several controversial doctrines including the incomprehensibility of God and the origin of sin and evil Other features include a summary of systematic theology from the perspective of christology discussions on true versus false philosophy true versus false spirituality what it means to see the Father by looking at Jesus the priorities of Paul in life and prayer and the true nature of the Great Commission

Balabanski,2020-01-23 Vicky Balabanski analyses Colossians as a co authored letter written during Paul s Roman imprisonment by Timothy with the input of Epaphras and sent with Paul s introductory and concluding greetings Balabanski sees remarkable resonances between the cosmology of this letter and that of Stoic thought the most widely held philosophy in first century Asia Minor Drawing upon the way Stoic thinkers saw the divine Spirit permeating reality and sought to attune their lives to the Logos divine reason she argues that the Logos of Christ the Gospel was welcomed by small groups of people shaped by Stoic thought and they experienced Christ as the visible expression of the One God who permeates reality The Letter to the Colossians has the highest view of Christ of any of the New Testament writings and its theology of divine permeation invites us to notice the ecological potential of this letter This Eco Stoic reading brings contemporary ecological questions into dialogue with the distinctive Christology and cosmology of the letter **Eerdmans Commentary on the Bible: Ephesians, Colossians, Philemon** I.
