Mills,2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable

Hair's Breadth Gary Meaders, 2025-03-18 Each of God's children experiences trials tests and tribulations during their spiritual journey And it is a journey Events inevitably change them as they changed Job the early biblical character with his inertia shattering narrative In his story specific modalities focused on his raw emotional trauma One aspect was the analogy of using a hair's breadth closeness for measurement Job came that close to losing more than he did He lost his prestige wealth possessions children and friends It could have been more This book provides a comprehensive view of several of these analogies They use the facilitating device of human hair its use in religion and spirituality in prophetic usages in the Nazarite vow in its temple practices in its use in warfare as with the tribe of Benjamin whose warriors could sling stones and not miss by a hair's breadth and with worship and adoration Approximately three hundred sources were reviewed and excerpted as supporting elements They are conspicuously noted perhaps slowing down the flow of the study's narrative However the nature of the call for this work was to restore silent voices those that though long gone are members of the Great Cloud of Witnesses through their lifetimes ministries and character witness This study will acquaint readers with substantial resources to fuel their own journey from outcast to citizen from pain to purity from hurting to holiness
