Expository Thoughts on the Gospels J. C. Ryle, 2007-06-01 The Expository Thoughts which are now before the reader are not a learned critical commentary The Expository Thoughts are not a continuous and homiletic exposition containing practical remarks on every verse The plan I have adopted in drawing up the Expository Thoughts is as follows I have divided the sacred text into sections or passages averaging about twelve verses in each I have then supplied a continuous series of short plain Expositions of each of these passages In each Exposition I have generally begun by stating as briefly as possible the main scope and purpose of the passage under consideration I have then selected two three or four prominent points in the passage singled them out from the rest dwelt exclusively on them and endeavored to enforce them plainly and vigorously on the reader s attention The points selected will be found to be sometimes doctrinal and sometimes practical Preface
