**anatomy and philosophy of expression ... Second edition** Sir Charles BELL,1824 Shakespeare and Emotional Expression Bríd Phillips,2022-03-30 Shakespeare and Emotional Expression offers an exciting new way of considering emotional transactions in Shakespearean drama The book is significant in its scope and originality as it uses the innovative medium of colour terms and references to interrogate the early modern emotional register By examining contextual and cultural influences this work explores the impact these influences have on the relationship between colour and emotion and argues for the importance of considering chromatic references as a means to uncover emotional significances Using a broad range of documents it offers a wider understanding of affective expression in the early modern period through a detailed examination of several dramatic works Although colour meanings fluctuate by paying particular attention to contextual clues and the historically specific cultural situations of Shakespeare s plays this book uncovers emotional significances that are not

always apparent to modern audiences and readers Through its examination of the nexus between the history of emotions and the social and cultural uses of colour in early modern drama Shakespeare and Emotional Expression adds to our understanding of the expressive and affective possibilities in Shakespearean drama *Passion for Reason and Reason of Passion* Martin Weyl,1989 After the devastations of the early 17th century a new wish for order and authority arose in France culminating with the reign of the young King Louis XIV A new ideal type of human utopian in character emerged and was aspired to by artists and critics This period often seen in art history as a late form of baroque classicism or the result of absolutism is presented in this book in a new light that of contemporary motivations aspirations and ideals The changes major in character during this short but intense period were to have far reaching effects on the course of the art world in France and in Europe as a whole **Human Facial Expression** Alan J. Fridlund,2014-03-27 Approx 369 pagesApprox 369 pages *The Logic of Expression* Simon Duffy,2016-12-05 Engaging with the challenging and controversial reading of Spinoza presented by Gilles Deleuze in *Expressionism in Philosophy* 1968 this book focuses on Deleuze s redeployment of Spinozist concepts within the context of his own philosophical project of constructing a philosophy of difference as an alternative to the Hegelian dialectical philosophy Duffy demonstrates that a thorough understanding of Deleuze s Spinozism is necessary in order to fully engage with Deleuze s philosophy of difference **The Anatomy and Philosophy of Expression as Connected with the Fine Arts** Sir Charles Bell,1872
