Gowan, 1998-01-01 Donald Gowan offers a unified reading of the prophetic books showing that each has a distinctive contribution to make to a central theme These books Isaiah through Malachi respond to three key moments in Israel's history the end of the Northern Kingdom in 722 BCE the end of the Southern Kingdom in 587 BCE and the beginning of the restoration from the Babylonian exile in 538 BCE Gowan traces the theme of death and resurrection throughout these accounts finding a symbolic message of particular significance to Christian interpreters of the Bible

back cover *Biblical Studies on the Prophecies of the Rapture and Revelation* Larry Phillip Russell, 2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ. Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

The Prophetic Body Anthea E. Portier-Young, 2024. Modern study of biblical prophecy frequently defines prophecy as a message from God and has focused almost exclusively on prophets' words. But prophecy was always also embodied. Anthea E. Portier-Young insists on the synergy of word and body in biblical prophecy. Prophets did more than reveal knowledge; the prophetic body connected God and people, making them present to one another, channeling divine power, traveling between realms. Drawing insights from disciplines ranging from neurobiology to cultural studies, the author examines stories of prophetic commissioning, bodily transformation, asceticism and ecstasy, mobility and immobility, affect and emotion, revealing the body's centrality to prophetic mediation.

Performing Habakkuk Jeanette Mathews, 2012-06-01. Scripture like any performance aims for transformation of its audience. In this new study, Jeanette Mathews demonstrates how literature from the diverse field of performance studies can be applied to the prophetic book of Habakkuk in order to draw out themes and features that are common to both. Mathews offers a fresh new translation of Habakkuk that emphasizes and celebrates its intrinsic dramatic features. This translation provides the script for the performance of Habakkuk. The attitudes and actions of the actors in the performance become models for their audience such that the audience members are drawn into the performance and do not remain impartial spectators. The context of crisis that forms the book's setting is of crucial importance, ensuring that genres such as complaint and lament are taken seriously as expressions of faith in the midst of traumatic experience. The open-ended script makes explicit the drama of faithfulness in
