**Extreme Spiritual Sex** D. Gold,2002-11-01 describes the highest of concepts in the simplest of terms The ultimate trip for an adventurous sex loving couple *The Sex Side of Life* Mary Ware Dennett,2016-01-07 ANATOMY OF THE FEMALE SEX ORGANISM Every woman should be given plain practical sane sensible instruction concerning the sex organism of woman its functions its laws its use and its abuse This important feature of the physical organism plays an all powerful part in the life of every woman and particularly in the life of the married woman It is nature s mechanism for the reproduction of the race Every child that is born into the world is conceived gestated and finally delivered as a result of the functioning of this organism Therefore such instruction and knowledge is vitally necessary not only for the intelligent performance of the duties of parenthood but also for the best interests of race preservation race culture and the physical well being and health of the individual woman And yet custom and ancient prejudice have drawn the veil over this most important subject so that it is difficult for the average woman to find practical clean information concerning her own anatomy and physiological functions concerned with her sex life To many it has appeared that the particular organs and parts of the body concerned with the reproductive functions of the woman are base unclean and impure and that any woman discussing them or seeking information regarding them must be immoral or at least not respectable Anatomical charts and physiological treatises on the subject are tabooed outside of the doctor s office Women are considered immodest if they seek to acquaint themselves with the facts of life concerning one of their most important classes of physical functions It is considered not nice for a young woman to know anything about her physical being in those phases which play the most important part in her life Can there be anything more ridiculous and insane This is a matter which excites the most intense surprise disgust and despair in the average person possessing a scientific tendency But the dawn is breaking and a better day is ahead of the race concerning these things **Private Sex Advice to Women: For Young Wives and those who Expect to be Married** Robert B.

**Creativity and Sexuality** Mordechai Rotenberg, 2018-02-06 Judaism openly recognizes as an integral part of human nature the enigmatic relationship between yetzer or physical desire and yetzirah or spiritual creativity Creativity and Sexuality written as a fictional dialogue clearly delineates the psychic interdependence of these two drives as well as the integration of the concepts as they are defined by both Jewish mysticism and modern psychology Mordechai Rotenberg is interested in the impact of religion on the psychology of everyday life He was prompted to write Creativity and Sexuality by the popularity of writings that explore Jewish texts on the subject of sexuality from a historical or literary point of view but that do not hesitate to include psychological evaluations based on popular secondary psychological concepts This work seeks to provide an accurate psychological analysis of sexuality and spirituality from a Jewish mystical perspective As such it both reconstructs the interdisciplinary bridge between Judaism and psychology and deconstructs some exegetical traditions The goal is to present new paradigmatic options which may help modern society struggle more efficiently with its sexuality Ultimately the author sees physical desire and spiritual creativity as a regulative continuum People learn how to spend the tremendous power of energy that the sexual yetzer produces not only on physical sex but on the spiritual yetzirah In an introduction written especially for this new edition the author explains the continuing relevance of Creativity and Sexuality and the ongoing relationship between sexual desire and a healthy spiritual self fulfillment This volume will be of interest to students of Judaism psychology mysticism and sexuality *Seductive Spirits* Nathanael Homewood, 2024-03-12

Pentecostalism Africa's fastest growing form of Christianity has long been preoccupied with the business of banishing demons from human bodies Among Ghanaian Pentecostals deliverance is primary among the embodied experiential gifts a loud messy and noisy experience that ends only when the possessed body falls to the ground silent and docile the evil spirits rendered powerless in the face of the holy spirit wielding prophets And nowhere is Ghanaian Pentecostal obsession with demons more pronounced than with sexual demons In this book Nathanael Homewood examines the frequent and varied experiences of spirit possession and sex with demons that constitute a vital part of Pentecostal deliverance ministries offering insight into these practices assembled from long term ethnographic engagement with four churches in Accra the capital of Ghana Relying on the uniqueness of the Pentecostal sensorium this book unravels how spirits and sexuality intimately combine to expand the definition of the body beyond its fleshy boundaries Demons are a knowledge regime one that shapes how Pentecostals think about engage with and construct the cosmos Deliverance Pentecostals reiterate and tarry with the demonic especially sexually as a realm of invention whereby alternative ways of being sensing and having sex are dreamed practiced and performed Ultimately Homewood argues for a distinction between colonial demonization and decolonial

demons charting another path to understanding being the body and sexualities *The Sexuality Debates* Sheila Jeffreys, 2013-11-05 First published in 1987 From the 1870 s to the 1920 s feminists actively campaigned against men s sexual abuse of women This collection brings together the major articles which fuelled the feminist campaigns and helped to bring about significant reforms

**Hidden Intercourse** Wouter J. Hanegraaff, Jeffrey Kripal, 2008-12-31 From rumours about gnostic orgies in antiquity to the explicit erotic symbolism of alchemical texts from the subtly coded eroticism of medieval kabbalah to the sexual magic practiced by contemporary occultists and countercultural translations of Asian Tantra the history of Western esotericism is rich in references to the domains of eros and sexuality This volume which brings together an impressive array of top level specialists is the first to analyze the eroticism of the esoteric without sensationalism or cheap generalizations but on the basis of expert scholarship and attention to textual and historical detail While there are few other domains where the imagination may so easily run wild the various contributions seek to distinguish fact from fiction only to find that historical realities are sometimes even stranger than the fantasies In doing so they reveal the outlines of a largely unknown history spanning more than twenty centuries

**Cosmopolitan Love** Sijia Yao, 2023-11-09 Love and the different manifestations of it is a common theme in literature around the world In *Cosmopolitan Love* Sijia Yao examines the writings of D H Lawrence a British writer whose literature focused primarily on interpersonal relationships in domestic settings and Eileen Chang a Chinese writer who migrated to the United States and explored Chinese heterosexual love in her writing While comparing the writings of a Chinese writer and an English one Yao avoids a direct comparison between East and West that could further enforce binaries Instead she uses the comparison to develop an idea of cosmopolitanism that shows how the writers are in conversation with their own culture and with each other Both D H Lawrence and Eileen Chang wrote stories that are influenced by but sometimes stand in opposition to their own cultures They offer alternative understandings of societies dealing with modernism and cultural globalization Their stories deal with emotional pain caused by the restrictions of local politics and economics and address common themes of incestuous love sexual love adulterous love and utopian love By analyzing their

writing Yao demonstrates that the concept of love as a social and political force can cross cultural boundaries and traditions to become a basis for human meaning the key to a cosmopolitan vision     *Explorations in Love and Sex* Irving Singer,2001  
Beginning with a discussion of Kant Schopenhauer and others about the morality of sex and the morality of compassion  
*Explorations in Love and Sex* offers a panoramic view of the philosophy of love from its beginnings in Plato up to the present  
It examines the nature and limitations of sexual pluralism and elaborates on Irving Singer's earlier ideas about appraisal and bestowal The book's chapters are both philosophical and historical and speak to general readers who wish to better understand the curious set of emotions called love     Modern Devil Elix Conrad,2019-11-14 THE DEVIL that ancient creature yet always upto date Bugging everyone over time and leading to the straying of many Christians from the right way  
Does the devil still exist To answer that question we may need to ask the question Does God still exist In all religions there is always the concept of duality Good and Bad are always locked in an never ending duel and it is up to the beings on earth to choose which side to belong So what are you saying author I m saying the devil still exists and is a modern devil in all facets of the word This book therefore will furnish you with the extent of the modernity of the snake called the devil It will ensure that you are aware of all the latest tricks which the devil has been up to The devil has been at work folks its only that Hollywood has convinced people that the devil is something you mustn't worry about Read this book and become awake Since then you will look at the world with new eyes
