How to Create Heart-Based Hospitality: The Future of the Hotel Hospitality Experience Peter McAlpine, This book shows hoteliers how to create a spirit of hospitality that is impossible to create with the globally pervasive standards manual based concept of SOP Customer Satisfaction Heart Based Hospitality is an energetic and spiritual concept of hospitality and it provides a completely new direction in hospitality It is based on creating an ever increasing spirit of unconditional love Metta loving kindness compassion and heart warming care which are the forgotten essence of hospitality By working with energy especially heart energy and by developing the spiritual capacity of the staff you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP Customer Satisfaction ceiling As you develop Heart Based Hospitality you can increase the softness gentleness loving kindness compassion and heart warming care of the staff and the energetic warmth of the hospitality without limit Heart Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually It will revolutionise the hospitality industry I call the level Heart Based Hospitality because it is created by working with human energy especially with the energy of the heart by developing the heart s intelligence by increasing heart coherence so as to open the heart to experience ever stronger emotions of love and by developing spiritual capacity which increases the desire to show unconditional love Metta loving kindness heart warming care and compassion from the heart The future hospitality experience will be energetic and spiritual Hotels in the future will also use heart field energy techniques to change the energetic vibration of the hotel staff the guests and spaces They will also infuse spaces facilities and guest accommodation with pleasant feeling energy through specific meditations I have written the book in order to bring about a revolution of change in the hotel industry The book shows hotels how to implement and develop the process of creating Heart Based Hospitality Part 1 the Introduction to the book explains what the book is about Go to this link http://heartbasedhospitality.com/page_id/57800 Los Angeles Magazine ,2003-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Subject Guide to Books in Print ,1991 **The Top Five Teachings** Randy Loubier,2020-12-30 The mysteries of Christ are meant to be explored by everyone Every background every race every spiritual heritage is invited Yet it might not seem that way Christianity can often seem foreign and awkward even to Christians The Tea Room Scrolls is a bridge in the Asian garden At the height of the bridge two groups of people will meet in this study those familiar with Asian spiritual traditions and Christians wanting to explore Jesus teachings from a new vantage point From the safety of the bridge and with no pressure to step off the bridge you will explore the mysteries of Jesus

Christ in a fascinating format Mankind has questions about the purpose of life the path of blessed living the way to live in peace the pursuit of abundant joy The Tea Room Scrolls is a mindful and spiritual adventure you will never forget as you ponder Jesus answers to the most important questions of life Come up onto the bridge and enjoy the view in this eight week self study course Best selling author Randy Loubier spent 50 years pursuing the Asian spiritual traditions of Shinto Taoism Hindu and Buddhism all the while convinced that Christians were weak people who were deluded by a book written by ancient kings to control the masses When he finally read the Bible for himself he discovered something extraordinary Jesus teachings not only brought radical joy to his life but are a far better fit to the Asian culture than the West Your perspective is about to be stretched because Western Christians are often blind to some vital teachings of Jesus Asian spiritualists are closer than they think to the Kingdom of Heaven The H.U.C.
