The Prophet's Ascension Christiane J. Gruber, Frederick S. Colby, 2010-02 The tales of the mi'raj describe the prophet Muhammad's journey through the heavens his encounters with prophets and angels and his visit to heaven and hell The tales are among Islam's most popular appearing in Arabic Persian and Turkish literature and in later adaptations throughout the Muslim world Often serving as narratives designed to promote the worldview of particular Muslim groups the tales were also a means for communities to construct rules of normative behavior and ritual practices and were used to assert the superiority of Islam over other religions The essays in this collection discuss the formation of this narrative the mi'raj as a missionary text its various adaptations its application to esoteric thought and its use in performance and ritual The Interpretation of The Meaning of The Holy Quran Volume 42 - Surah Al Mukminun Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin The Prophet's Handbook Apostle Raymond Stansbury, 2011-03-03 Shalom As promised this is volume two of the prophet's Handbook This book is for meat eaters only the milk stage has passed The revelation that Yahweh has given me to share in this book is life changing and is

meant to change one's life. Don't take the teachings in this epistle lightly because it will add levels and dimensions to your spirit man. It's my desire that it pushes you to dig and study even more to show your self approved unto Yah.
