The Complete Guide to Mutts Margaret H. Bonham, 2008-04-21
A unique one-stop handbook for mixed breed dog owners. Known for their individuality, mutts have become the most popular dogs in the United States. Now *The Complete Guide to Mutts* addresses all the special needs of owning a mixed breed, providing comprehensive, reliable information in one authoritative resource on everything from health and training to behavior issues, something you won't find in other books. Written by Margaret Bonham, a dog writer who has tremendous firsthand experience with mixed breeds, the book covers such important topics as beyond the basics, obedience training, holistic therapies, and common problems in older dogs, as well as mutt-specific information on routine health care. You'll also discover why mutts are number one in the hearts of millions and why a mutt might or might not be right for you. How to find the perfect mutt through a shelter or rescue organization. The general types of mutts and how to tell what your mixed breed may be. The difference between training a puppy and an adult mutt. How to understand your mutt's behavior and change it if necessary. The best supplies for your mutt, including feeding dos and don'ts. The latest on competing in obedience, agility, and other performance events.

Way of the Wild Human: Tales of a Renegade Homebody Kiyonah Thundersong, 2013-02-26
Way of the Wild Human is a guidebook on all things wild human. It's a compilation of essays about wild human life at home and on the road. This book is the first of a series being published by the Wild Human Initiative, a grassroots nonprofit focused on rewilding, community building, neotribalism, green anarchism, nomadism, and all related topics. We provide charitable relief for the traveling poor, and we advocate grassroots community building for us all. This book empowers the readers to activate wild humanism in their own lives and to help manifest change in society at large.

Gemstones A to Z Diane Stein, 2012-05-02
Legendary healer Diane Stein shares her extensive knowledge of gemstones in this concise, agate to zircon reference. Each listing includes the stone's common name, its corresponding color, and chakra, and a concise resume of its healing properties. Stein suggests ways to use stones to support physical and psychic well-being by simply carrying one in a hand or pocket, wearing it as jewelry, or engaging in more advanced practices like the laying on of stones. She also presents a glossary of terms designed for beginning students of metaphysical healing practices and teaches how to clear, dedicate, and maintain crystals to maximize their beneficial effects. A quick reference to 550 gemstones and crystals, including many that are new to the marketplace and their special healing properties and most helpful applications. Includes diagrams of the Kundalini physical and Hara Line emotional chakra healing systems for simplified cross-referencing with the stones. Diane Stein's books have sold more than half a million copies and are available in six languages.
