Eyes Are The Window To The Soul:

The Window of My Soul, a Journey of Hope April Lynn Nix, 2019-03-31 As a young girl I sat by my bedroom window dreaming about what my life would be hoping for a better destiny but not being able to see out because of the chaos within Growing up facing trials after trials I learned the power of faith In my journey I was able to see through the eyes of God and overcome obstacles and I never gave up Th rough my book Th e Window of My Soul a Journey of Hope it is my heart s desire to inspire and empower you to live your best life now and to help you break barriers that have been holding you hostage and keeping you from making your dreams a reality All things are possible if you believe *ROOTS FROM WHENCE WE CAME* Elsie Buscher Diemer; Eleanor Diemer, 2008-08-28 *ROOTS FROM WHENCE WE CAME* love devotion and tender thoughts is a collection of poems and writings by Elsie Buscher Diemer two of her children and a great granddaughter Elsie s contributions began during her high school years in the early 1920 s and continued throughout the rest of her life untill she passed away in 1970 Her first born Paul J Diemer and second child Eleanor Diemer Sidley likewise began their writings during their high school years Their writings cover the era from the earliest 1950 s til the present 2008 Elsie s great granddaughter Jenna Burnett started putting her thoughts in writing during her preteen years This collection encompasses the thoughts beliefs and desires of these four authors At times you find nostalgia humor faith and perhaps a little despair throughout these pages There is also some history lessons on the building of a community and the making of a viable family farm Some fiction enters in with Paul s stories of the mountain man Bill Starkey which includes some Indian lore We hope this book holds your attention and perhaps kindle a desire to put your own thoughts and feelings to pen and paper The Vampire's Redemption Pasquale De Marco, 2025-07-27 *The Vampire s Redemption* takes readers on a captivating journey into the realm of vampires exploring their origins their powers and their place in human society Vampires have long held a fascination for humans embodying both life and death seduction and danger This book delves into the rich history of vampire lore tracing its evolution from ancient folklore to modern literature and cinema Vampires have been depicted in many different ways throughout history reflecting the cultural and societal values of the time From the bloodthirsty monsters of old to the brooding romantic figures of today vampires have captivated audiences with their allure and mystique One of the most enduring aspects of vampire lore is their connection to blood Blood is the source of their power and immortality and it is also the object of their insatiable hunger This thirst for blood has led to vampires being seen as symbols of both life and death creation and destruction Vampires are often portrayed as outsiders living on the fringes of society They are creatures of the night dwelling in shadows and avoiding the light of day This isolation and alienation can lead to a sense of longing and loneliness a desire for connection and acceptance The relationship between vampires and humans is complex and multifaceted Vampires are often seen as predators preying on the innocent However they can also be seen as protectors offering a sense of safety and belonging to those who feel lost or alone *The Vampire s Redemption* explores all these aspects

of vampire lore and more It is a comprehensive guide to the world of vampires providing readers with a deeper understanding of these fascinating creatures If you like this book write a review [Sight and Blindness in Luke-Acts](#) Chad Hartsock,2008-05-31 The ancient world often thought in terms of physiognomics the idea that character can be discerned by studying outward physical features That physical descriptions carry moral freight in characterization has been largely missed in modern biblical scholarship and this study brings that to the forefront Specifically this is a study of one particular physical marker blindness When we look at Greco Roman literature a kind of literary topos begins to emerge a set of assumptions that ancient audiences would typically make when encountering blind characters Luke Acts makes use of such a topos in a way that becomes programmatic serving as a kind of interpretive key to Luke Acts that is generally unnoticed in modern scholarship
