Eyes On The Street:

Eyes on the Street Robert Kanigel, 2016-09-20 The first major biography of the irrepressible woman who changed the way we view and live in cities and whose influence can still be felt in any discussion of urban planning to this day *Eyes on the Street* is a revelation of the phenomenal woman who raised three children wrote seven groundbreaking books saved neighborhoods stopped expressways was arrested twice and engaged at home and on the streets in thousands of debates all of which she won Here is the child who challenged her third grade teacher the high school poet the journalist who honed her writing skills at *Iron Age* *Architectural Forum* *Fortune* and other outlets while amassing the knowledge she would draw upon to write her most famous book *The Death and Life of Great American Cities* Here too is the activist who helped lead an ultimately successful protest against Robert Moses's proposed expressway through her beloved Greenwich Village and who in order to keep her sons out of the Vietnam War moved to Canada where she became as well known and admired as she was in the United States

Eyes on the Street Robert Kanigel, 2017-08-08 The first major biography of the irrepressible woman who changed the way we view and live in cities and whose influence is felt to this day Jane Jacobs was a phenomenal woman who wrote seven groundbreaking books saved neighborhoods stopped expressways was arrested twice and engaged in thousands of impassioned debates all of which she won Robert Kanigel's revelatory portrait of Jacobs based on new sources and interviews brings to life the child who challenged her third grade teacher the high school poet the mother who raised three children the journalist who honed her skills at *Architectural Forum* and *Fortune* before writing her most famous book *The Death and Life of Great American Cities* and the activist who helped lead a successful protest against Robert Moses's proposed expressway through her beloved Greenwich Village

Eyes on the Workplace National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on Vision, 1988-01-01 About 25 million Americans are 65 and older That figure will double during the next 25 years Over the next 15 years the baby boom generation will swell the ranks of middle aged workers But the numbers tell only half the story The gradual decline in visual functioning that usually accompanies aging often goes undetected or is deemed untreatable Older people may have difficulty seeing at night reading small print distinguishing similar colors or coping with glare from a desktop or video display terminal This report is the summary of a Conference held to identify and describe major research findings related to changing visual capacities and the employment of older workers to recommend steps that could be taken by businesses to encourage the continued productive employment of older workers and to identify research topics that have yet to be explored that might bear on this subject

The Urban Wisdom of Jane Jacobs Jane Jacobs, Sonia Hirt, Diane L. Zahm, 2012 Here for the first time is a thoroughly interdisciplinary and international examination of Jane Jacobs's legacy Divided into four parts I Jacobs Urban Philosopher II Jacobs Urban Economist II Jacobs Urban Sociologist and IV Jacobs Urban Designer the book evaluates the impact of Jacobs's writings and activism on the city the

professions dedicated to city building and more generally on human thought Together the editors and contributors highlight the notion that Jacobs s influence goes beyond planning to philosophy economics sociology and design They set out to answer such questions as What explains Jacobs s lasting appeal and is it justified Where was she right and where was she wrong What were the most important themes she addressed And although Jacobs was best known for her work on cities is it correct to say that she was a much broader thinker a philosopher and that the key to her lasting legacy is precisely her exceptional breadth of thought

Towards Human-Vehicle Harmonization Huseyin Abut, Gerhard Schmidt, Kazuya Takeda, Jacob Lambert, John H.L. Hansen, 2023-03-20 This book features works from world class experts from academia industry and national agencies focusing on a wide spectrum of automotive fields towards humanvehicle harmonization covering in vehicle signal processing driver modeling systems and safety The essays collected in this volume present cutting edge studies on safety driver behavior infrastructure and human to vehicle interfaces

The City at Eye Level Meredith Glaser, 2012 Although rarely explored in academic literature most inhabitants and visitors interact with an urban landscape on a day to day basis is on the street level Storefronts first floor apartments and sidewalks are the most immediate and common experience of a city These plinths are the ground floors that negotiate between inside and outside the public and private spheres The City at Eye Level qualitatively evaluates plinths by exploring specific examples from all over the world Over twenty five experts investigate the design land use and road and foot traffic in rigorously researched essays case studies and interviews These pieces are supplemented by over two hundred beautiful color images and engage not only with issues in design but also the concerns of urban communities The editors have put together a comprehensive guide for anyone concerned with improving or building plinths including planners building owners property and shop managers designers and architects

Faces in the Street Pip Wilson, 2006 She struggled to get women the vote Her son was Australia s most famous writer They drove each other crazy Meticulously researched big Aussie historical novel that takes the lid off the world of Louisa Lawson and Henry Lawson and their circle of radical friends revolution poverty love affairs madness drunkenness sedition terrorism passionate hopes and friendships with some of Australia s most remarkable people Much historical info here is not in their biographies Good stuff experientially politically anecdotally stylistically narratively romantically alcoholically What more can one say Douglas Houston PhD co editor of the Oxford Good Fiction Guide

The Street of Seven Stars Mary Roberts Rinehart, 2006-11 The old stucco house sat back in a garden or what must once have been a garden when that part of the Austrian city had een a royal game preserve Tradition had it that the Empress Maria Theresa had used the building as a hunting lodge and undoubtedly t

Mystics in the Street Renaldo Fischer, 1999-01-19 Mystics in the Street is a fictional Care of the Soul Carlos Dante is a modern medicine man in the role of a burnt out psychotherapist His message is two fold On one hand this is a time in human history in which we have a vast amount of information available to us about the soul spirit and body its wounds and potential for healing On the other we have never felt less certain about

what to do with all that information much less the latest medication although we've read the top non-fiction literature and the newsworthy medical reports *Mystics in the Street* tells a story that suggests a path with heart through the Information Age It shares a way to bypass the news reports radio ads and blurry TV screens It's modern fishes and loaves A way of mastery for people where just one word a poem or a sunrise can become food serving many **The Season of Migration** Nellie Hermann, 2015-01-06 The lyrically told story of one of the world's greatest artists finding his true calling Though Vincent van Gogh is one of the most popular painters of all time we know very little about a ten-month period in the painter's youth when he and his brother Theo broke off all contact In *The Season of Migration* Nellie Hermann conjures this period in a profoundly imaginative original and heartbreaking vision of Van Gogh's early years before he became the artist we know today In December 1878 Vincent van Gogh arrives in the coal-mining village of Petit Wasmes in the Borinage region of Belgium a blasted and hopeless landscape of hovels and slag heaps and mining machinery Not yet the artist he is destined to become Vincent arrives as an ersatz preacher barely sanctioned by church authorities but ordained in his own mind and heart by a desperate and mistaken spiritual vocation But what Vincent experiences in the Borinage will change him Coming to preach a useless gospel he thought he knew and believed he learns about love suffering and beauty ultimately coming to see the world anew and finding the divine not in religion but in our fallen human world In startlingly beautiful and powerful language Hermann transforms our understanding of Van Gogh and the redemptive power of art *Me, Cat and Others in the Street* Ron S. King, 2010-09-25 This is a story about a man and a cat which mysteriously turns up in a cardboard box on his doorstep What happens next is a continuous tale of fun and of characters of the Street who create havoc in the man's life This story is narrated in a most humorous way and will give hours of fun and contains many humorous pictures *Wellbeing: A Complete Reference Guide, Wellbeing and the Environment* Rachel Cooper, Elizabeth Burton, Cary Cooper, 2014-03-24 Part of the six-volume *Wellbeing: A Complete Reference Guide* this volume examines the ways in which the built environment can affect and enhance the wellbeing of society Explores the effects of environment on wellbeing and provides insight and guidance for designing creating or providing environments that improve wellbeing Looks at the social and health issues surrounding sustainable energy and sustainable communities and how those connect to concepts of wellbeing Brings the evidence base for environmental wellbeing into one volume from across disciplines including urban planning psychology sociology healthcare architecture and more Part of the six-volume set *Wellbeing: A Complete Reference Guide* which brings together leading research on wellbeing from across the social sciences *Eye of the Sword* Karyn Henley, 2012-03-13 Where angels walk the ground and the future is told in song does a man of low rank have a chance at love with a princess In Camrithia a land of shadows and mystical secrets Trevin lives to serve King Laetham But his heart belongs to the princess Melaia When the King sends Trevin on a dangerous quest to find the missing comains captains in the king's army he must leave Melaia to the advances of a swaggering Dregmoorian prince Challenged to prove his worth Trevin throws himself into his quest

Striving to prove his love Trevin undertakes a second mission find the harps Melaia seeks in order to restore the stairway to heaven Through fire caves rogue winds and murderous threats Trevin remains steadfastly dedicated to his quest even when he is falsely accused of a heinous crime As Trevin s time runs out he realizes he must face the shame and horror of his own past and the nightmare that has come to life Will he have the courage to finish what he has started From the Trade Paperback edition **In the Eye of Heaven** David Keck,2007-03-06 A fiercely original epic fantasy debut *The Street Railway Journal* ,1903 **Voices in the Street** Maureen Reynolds,2013-02-21 Born in Dundee in 1938 Maureen Reynolds grew up in wartime Scotland a young girl surrounded by adult concerns There was the endless queuing for rations that never seemed to stretch quite far enough the blackouts and the air raids But if times were hard they were also simpler and in *Voices in the Street*Maureen remembers with great fondness her early years with her wise old grandad the enjoyment of riding on tram cars the weekly wash house gossip and the people and places of her childhood When she left school at fifteen Maureen immediately started her working life with a job at the local sweetie factory coming of age in the era of Teddy Boys and rock n roll and enjoying the dancing with her best friend Betty Then as Maureen grew up she found her love only to see him borrowed in the name of National Service But through good times and bad she would never forget growing up in Dundee

Urban Design Reader Steve Tiesdell,Matthew Carmona,2007-02-07 Essential reading for students and practitioners of urban design this collection of essays introduces the 6 dimensions of urban design through a range of the most important classic and contemporary key texts Urban design as a form of place making has become an increasingly significant area of academic endeavour of public policy and professional practice Compiled by the authors of the best selling *Public Places Urban Spaces* this indispensable guide includes all the crucial definitions and various understandings of the subject as well as a practical look at how to implement urban design that readers will need to refer to time and time again Uniquely the selections of essays that include the works of Gehl Jacobs and Cullen are presented substantially in their original form and the truly accessible dip in and out format will enable readers to form a deeper practical understanding of urban design

The Logic of Life Tim Harford,2009-02-24 In *The Logic of Life* bestselling author Tim Harford quite simply makes sense of this world Life often seems to defy logic The receptionist is clearly smarter than the boss who earns fifty times her salary Arbitrary lines starkly divide the desirable districts of the city from the dangerous ones Voters flock to the polling booths to elect candidates who ll rip them off to favour special interests None of it makes logical sense or does it Economist and acclaimed author Tim Harford thinks it does By weaving stories from locations as diverse as a Vegas casino to a barroom speed date Harford aims to persuade you that people are in fact surprisingly logical When a street prostitute agrees to unprotected sex or a teenage criminal embarks on a burglary perhaps especially when a racist employer disregards a black job applicant we would seem to be a million miles from rational behaviour Harford shows that discomfitingly we are not It turns out that the unlikeliest of people are complying with the logic of economics and responding to future costs and benefits

often without realizing it and socially tragic outcomes can have their roots in individually rational decisions Brilliantly reasoned always entertaining and often provocative *The Logic of Life* is a book to help you understand yourself and the world around you *The Keys to the Street* Ruth Rendell, 2011-09-07 From Edgar Award winning author Ruth Rendell quiet pretty Mary Jago could never have suspected that a series of unspeakable murders in the park contained threads that tangled around her simple ordinary life Set near London's Regent's Park where the city's wealthiest poorest kindest and most vicious citizens all cross paths *The Keys to the Street* reminds us how interconnected life can be and how we're often surrounded by people that we fail to see Mary generously donates her bone marrow to save the life of a young man she doesn't know which will change her life forever It leads to her bitter break up with Alistair and then to a relationship with the young man whose life she saved Leo Nash But when the homeless who seek refuge in the park start turning up murdered and impaled on the spiked railings that surround it Mary is closer to danger than she ever could have imagined *Ann Petry: The Street, The Narrows* (LOA #314) Ann Petry, 2019-02-26 In one volume two landmark novels about the terrible power of race in America from one of the foremost African American writers of the past century Ann Petry is increasingly recognized as one of the essential American novelists of the twentieth century Now she joins the Library of America series with this deluxe hardcover volume gathering her two greatest works Published in 1946 to widespread critical and popular acclaim it was the first novel by an African American woman to sell over a million copies *The Street* follows Lutie Johnson a young newly single mother as she struggles to make a better life for her son Bub An intimate account of the aspirations and challenges of black female working class life much of it set on a single block in Harlem the novel exposes structural inequalities in American society while telling a complex human story as overpriced housing lack of opportunity sexual harassment and racism conspire to limit Lutie's potential and to break her buoyant spirit Less widely read than her blockbuster debut and still underappreciated *The Narrows* 1953 is Petry's most ambitious and accomplished novel a multi-layered stylistically innovative exploration of themes of race class sexuality gender and power in postwar America Centered around an adulterous interracial affair in a small Connecticut town between the young black scholar athlete Link Williams and white privileged munitions heiress Camilo Sheffield it is also a fond incisive community portrait full of unforgettable minor characters unexpected humor and a rich sense of history Also included in the volume are three of Petry's previously uncollected essays related to the novels and a newly researched chronology of the author's life prepared with the assistance of her daughter Elisabeth Petry LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1,000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid-free paper that will last for centuries
