Framing China Ariane Knüsel, 2016-04-15 Framing China sheds new light on Western relations with and perceptions of China in the first half of the twentieth century In this ground breaking book Ariane Knüsel examines how China was portrayed in political debates and the media in Britain the USA and Switzerland between 1900 and 1950 By focusing on the political economic cultural and social context that led to the construction of the particular images of China in each country the author demonstrates that national interests anxieties and issues influenced the way China was framed and resulted in different portrayals of China in each country The author's meticulous analysis of a vast amount of newspaper and

magazine articles commentaries editorials cartoons and newsreels that have previously not been studied before also focuses on the transnational circulation of images of China While previous publications have dealt with the occurrence of the Yellow Peril and Red Menace in particular countries Framing China reveals that these images were interpreted differently in every nation because they both reflected and contributed to the discursive construction of nationhood in each country and were influenced by domestic issues cultural values pre existing stereotypes pressure groups and geopolitical aspirations

Witnessing the Witness of War Crimes, Mass Murder, and Genocide Manuela Consonni, Philip Galland Nord, 2023-07-24 Rethinking the concepts of witnessing and witness is highly relevant to the study of war crimes mass murder and genocide Through multiple readings the volume shows the meanings and functions of witnessing in a political and historical context marked by the emergence of multiculturalism The ultimate goal is the exploration of divergent and intersectional positions of the witness and witnessing as both concrete and hermeneutical categories As a result the mechanisms of social political and psychological oppression murder and genocide will become tangible and understandable with greater precision and finesse

Mending Walls Richard A. Diem, Michael J. Berson, 2017-04-01 This volume of the International Social Studies Forum offers papers presented at the 2016 Social Studies Education Forum International Conference that was held in Berlin Germany in June 2016 The authors are a cross section of international educators The issues and research structures noted in the volume focus on how education can mend the walls dividing societies both internally and externally across the globe Papers on understanding how to use democratic and civic education to offset differences in cultural perspectives to understanding how educational policy influences choice and activism are represented throughout

Between China and Japan Joshua A. Fogel, 2015-05-12 Over the past thirty five years Joshua Fogel has pioneered the study of Sino Japanese cultural and political relations understood as the intersections of the histories of these two countries This volume brings together many of his essays and reviews in this new field For a variety of reasons discussed within scholars have been reluctant to look at these two nation s historical connections either through comparative analysis or actual interactions Fogel s work has focused squarely here Among the issues addressed are Japanese scholarly views of modern China and Chinese history Chinese considerations of the Japanese language in the Ming and Qing periods the Japanese immigration to the East Asian Mainland especially to Shanghai and Harbin and more

Terror in Minnie Vautrin's Nanjing Minnie Vautrin, 2024-04-22 In December of 1937 the Japanese Imperial Army marched into China s capital city of Nanjing and launched six weeks of carnage that would become known as the Rape of Nanjing In addition to the deaths of Chinese POWs and civilians tens of thousands of women were raped tortured and killed by Japanese soldiers In this traumatic environment both native and foreign born inhabitants of Nanjing struggled to carry on with their lives This volume collects the diaries and correspondence of Minnie Vautrin a farmgirl from Illinois who had dedicated herself to the education of Chinese women at Ginling College in Nanjing Faced with the impending Japanese attack she turned the school into a

sanctuary for ten thousand women and girls Vautrin's firsthand accounts of daily life in Nanjing and the intensifying threat of Japanese invasion reveal the courage of the occupants under siege Chinese nationals as well as Western missionaries teachers surgeons and business people and the personal costs of violence in wartime Thanks to Vautrin's painstaking effort in keeping a day to day account present day readers are able to examine this episode of history at close range through her eyes With detailed maps photographs and carefully researched in depth annotations *Terror in Minnie Vautrin's Nanjing Diaries and Correspondence 1937-38* presents a comprehensive and detailed daily account of the events and of life during the horror stricken days within the city walls and in particular on the Ginling campus Through chronologically arranged diaries letters reports documents and telegrams Vautrin bears witness to those terrible events and to the magnitude of trauma that the Nanjing Massacre exacted on the populace

Developing Mission Joseph W. Ho, 2022-01-15 In *Developing Mission* Joseph W Ho offers a transnational cultural history of US and Chinese communities framed by missionary lenses through time and space tracing the lives and afterlives of images cameras and visual imaginations from before the Second Sino Japanese War through the first years of the People's Republic of China When American Protestant and Catholic missionaries entered interwar China they did so with cameras in hand Missions principally aimed at the conversion of souls and the modernization of East Asia became by virtue of the still and moving images recorded quasi anthropological ventures that shaped popular understandings of and formal foreign policy toward China Portable photographic technologies changed the very nature of missionary experience while images that missionaries circulated between China and the United States affected cross cultural encounters in times of peace and war Ho illuminates the centrality of visual practices in the American missionary enterprise in modern China even as intersecting modernities and changing Sino US relations radically transformed lives behind and in front of those lenses In doing so *Developing Mission* reconstructs the almost lost histories of transnational image makers subjects and viewers across twentieth century China and the United States

Nanking 1937 Fei Fei Li, Robert Sabella, David Liu, 2001-12-26 In recent years the international

community has begun to scrutinize and in many cases condemn the atrocities that took place in Nanking in 1937 This is all part of a larger worldwide movement in which both nations and multinational groups are attempting to reach closure regarding past atrocities and inhumanities By treating the Nanking Massacre from a variety of perspectives and by taking the position that all human atrocities have common features this work reaches beyond aggressors and victims admission and vindication in search of solutions leading toward a more peaceful and harmonious international community

The Rape of Nanking Zhang Sheng, 2021-11-08 The Massacre of Nanking took place in 1937 during the War of the Japanese Invasion of China 75 years after the event we are finally able to analyze and study what happened in Nanking on three levels as an historical event as a legal case and as an object in the Chinese people's collective consciousness

Japanese War Crimes during World War II Frank Jacob, 2018-06-08 A challenging examination of Japanese war crimes during World War II offers a fresh perspective on the Pacific War and a better understanding of reasons for the wartime use of extreme mass violence The 1937 Rape of Nanjing has become a symbol of Japanese violence during the Second World War but it was not the only event during which the Japanese used extreme force This thought provoking book analyzes Japan's actions during the war without blaming Japan helping readers understand what led to those eruptions In fact the author specifically disputes the idea that the forms of extreme violence used in the Pacific War were particularly Japanese The volume starts by examining the Rape of Nanjing then goes on to address Japan's acts of individual and collective violence throughout the conflict Unlike other works on the subject it combines historical sociological and psychological perspectives on violence with a specific study of the Japanese army seeking to define the reasons for the use of extreme violence in each particular case Both a historical survey and an explanation of Japanese warfare the book scrutinizes incidents of violence perpetrated by the Japanese vis vis theories that explore the use of violence as part of human nature In doing so it provides far reaching insights into the use of collective violence and torture in war overall as well as motivations for committing atrocities Finally the author discusses current political implications stemming from Japan's continued refusal to acknowledge its war time actions as war crimes

winning author of *Age of Ambition* *Chasing Fortune* *Truth and Faith in the New China* In the weeks after Japan finally surrendered to the Allies to end World War II the world turned to the question of how to move on from years of carnage and destruction For Harry Truman Douglas MacArthur Chiang Kai shek and their fellow victors the question of justice seemed clear Japan s militaristic leaders needed to be tried and punished for the surprise attack at Pearl Harbor shocking atrocities against civilians in China the Philippines and elsewhere and rampant abuses of prisoners of war in notorious incidents such as the Bataan death march For the Allied powers the trial was an opportunity to render judgment on their vanquished foes but also to create a legal framework to prosecute war crimes and prohibit the use of aggressive war building a more peaceful world under international law and American hegemony For the Japanese leaders on trial it was their chance to argue that their war had been waged to liberate Asia from Western imperialism and that the court was victors justice For more than two years lawyers for both sides presented their cases before a panel of clashing judges from China India the Philippines and Australia as well as the United States and European powers The testimony ran from horrific accounts of brutality and the secret plans to attack Pearl Harbor to the Japanese military s threats to subvert the government if it sued for peace Yet rather than clarity and unanimity the trial brought complexity dissents and divisions that provoke international discord between China Japan and Korea to this day Those courtroom tensions and contradictions could also be seen playing out across Asia as the trial unfolded in the crucial early years of the Cold War from China s descent into civil war to Japan s successful postwar democratic elections to India s independence and partition From the author of the acclaimed *The Blood Telegram* which was a Pulitzer Prize finalist this magnificent history is the product of a decade of research and writing *Judgment at Tokyo* is a riveting story of wartime action dramatic courtroom battles and the epic formative years that set the stage for the Asian postwar era

Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan s seizure of Manchuria from China in 1931 and covers Japan s ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan s cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas *Historical Dictionary of World War II The War Against Japan* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in

addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

Cultural Diplomacy in U.S.-Japanese Relations, 1919-1941 J. Davidann, 2007-11-26 This study explores U S Japanese relations in the interwar period to find that the seeds of the Pacific War were sown in the failure of cultural diplomacy and the growth of mutually antagonistic images While most Americans came to see Japan s modernity as a fa ade the Japanese began to group Americans with the warlike European powers

News under Fire Shuge Wei, 2017-09-05 News under Fire China s Propaganda against Japan in the English Language Press 1928 1941 is the first comprehensive study of China s efforts to establish an effective international propaganda system during the Sino Japanese crisis It explores how the weak Nationalist government managed to use its limited resources to compete with Japan in the international press By retrieving the long neglected history of English language papers published in the treaty ports Shuge Wei reveals a multilayered and often chaotic English language media environment in China and demonstrates its vital importance in defending China s sovereignty Chinese bilingual elites played an important role in linking the party led propaganda system with the treaty port press Yet the development of propaganda institution did not foster the realization of individual ideals As the Sino Japanese crisis deepened the war machine absorbed treaty port journalists into the militarized propaganda system and dashed their hopes of maintaining a liberal information order A superbly researched and well nuanced account of an overlooked topic nationalist China s propaganda system and the multiple ways in which it intersected with the treaty port foreign language press of the time Combining a wealth of archival and newspaper sources it is destined to be on the must read list of all who are interested in state propaganda and news dissemination in the Republican period Julia C Strauss professor of Chinese politics SOAS University of London An absorbing and well sourced study of KMT propaganda efforts to convince the United States to side with China rather than Japan in WWII The study shows how the KMT facing a massive power asymmetry compared to its Japanese opponent managed to effectively use the soft power of foreign propaganda Rudolf G Wagner senior professor of Chinese studies Cluster of Excellence Asia and Europe Heidelberg University Germany

The Nanking Atrocity, 1937-1938 Bob Tadashi Wakabayashi, 2007-06-30 December 13 2007 marks the 70th anniversary of the fall of the Chinese city of Nanking to the Japanese army The Nanking Atrocity of winter 1937 8 also known as the Nanking Massacre lies at the core of bitter disputes over history wartime victimization and postwar restitution that preclude amicable Sino Japanese relations to this day This volume which is both history and historiography offers the most recent scholarship about what actually happened in Nanking and places those findings in the context of how Chinese and Japanese writers have attributed mutually incompatible meanings to the event ever since an event that is coined on the Chinese side as the forgotten Holocaust after the subtitle of Iris Chang s 1997 bestseller The Rape of Nanking uncritically adopted by Western public opinion a gross distortion according to the contributors of this volume However the authors also deflate Japanese exculpatory

narratives which serving their own ideological agendas holds that Nanking was a combat operation against unlawful belligerents which produced only a few dozen innocent victims This volume presents new facts and fresh interpretations with the overriding aim to complicate the picture and to debunk myths expose fallacies and rectify misconceptions that obstruct a clear understanding of the issues and prevent ultimate reconciliation between China and Japan *The Nanking Atrocity, 1937-38* Bob Tadashi Wakabayashi, 2007 Events in Nanking during 1937 38 are the subject of a ferocious historiographical debate between Chinese Japanese points of view This volume seeks to debunk the myths promoted by scholars on both sides of the argument present a revisionist view of the atrocity that complicates the picture
