John Calvin's Bible Commentaries On Ezekiel 13- 20 John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The vigor of Calvin's mind and the stores of his learning are amply displayed in his COMMENTARY ON EZEKIEL And that the modern reader may enter fully into those valuable explanations of the text it will be desirable to furnish him with a slight sketch of the times in which this Prophet lived We shall then add such critical remarks as may illustrate our Author's exposition of the Sacred Text Thy sons shall be eunuchs in the palace of the king of Babylon were the ominous words of ISAIAH to a king of Judah and after the lapse of a century they were fulfilled to the letter Kings and priests and nobles and people were all swept away by the remorseless monarch and planted here and there along the lenny banks of the river Chebar There EZEKIEL pined in misery among three thousand captives of rank who according to JOSEPHUS graced the triumph of NEBUCHADNEZZAR Either a priest or the son of a priest for the sense is doubtful Ezekiel 1 4 here he was compelled to linger during twenty two years of his life while he was wrapt in prophetic vision and carried on the wings of the soul to the city of his fathers Here he tarried in body while his spirit was at home with the Cherubim within the Temple among their wings and wheels and burning movements and mysterious brightness

The Mystery of Ezekiel's Temple Liturgy Hilary Arthur Nixon Ph.D,2018-03-22 Ezekiel's Temple liturgy Ezekiel 40 48 is God's revelation Its use is future when Messiah is king on David's throne Mystery surrounds it no high priest altered festivals changes to Mosaic Law and a return to animal sacrifice Solving the mystery this book shakes up our theology This book first demonstrates the future necessity for Ezekiel's Temple and liturgy Then we analyze the details of each component in the Tabernacle and Ezekiel's Temple Details include priesthood consecrations Tabernacle articles sacrifices and festivals It is boring but this foundation must be laid It allows us to identify similarities and differences Similarities indicate continuation of Tabernacle ritual Differences indicate changes for a new era Sacrifices that cease are of special interest These spotlight what Mosaic shadows have found their reality This defines what Messiah has done as God's suffering servant Christ's death made atonement for sin and therefore the Day of Atonement festival ceases As the mystery of Ezekiel's Temple unfolds we make sense of God's revelation to Ezekiel But in doing so it radically alters our theology Current thinking is that the cross fulfils all functions of the court altar But if that were true there would be no court altar sacrifices in the future In Ezekiel the evening burnt offering stops and all other sacrifices continue The cross only fulfills one of the functions of the altar outside the camp Theological adjustment is needed

on the cross and atonement to understand Messiah's resumption of Tabernacle ways For Roman Catholics Tabernacle typology proves no one eats the sacrifice where blood enters the Tabernacle Jews hold to the eternality of God's Word but they cannot hold to the shadows and miss the reality Ezekiel's ritual changes Mosaic Law It also forces them to find God's suffering servant during the existence of the second temple **The Book of Ezekiel** Alexander MacLaren, 1909
