Ezra Nehemiah Esther Mastering The Old Testament Vol 11:

The Books of Ezra and Nehemiah Hannah K. Harrington, 2022-05-10 The books of Ezra and Nehemiah represent a significant turning point in biblical history They tell the story not only of the rebuilding of the temple in Jerusalem but also of the resurrection of God's people from the death of exile Hannah Harrington thus begins her commentary with an evocative description of these books as the story of a new Israel forged out of the old and the text of a people clinging to their genealogical past and attempting to preserve their heritage while walking forward into uncharted territory Throughout this commentary Harrington combines analytical research on the language and culture behind the books of Ezra and Nehemiah with challenging thoughts for the Christian church today bringing to bear a unique perspective on these books not as the end of Old Testament history but as early documents of the Second Temple period Accordingly Harrington incorporates a wealth of information from other Jewish literature of the time to freshly illuminate many of the topics and issues at hand while focusing on the interpretation and use of these books for Christian life today *Mastering the Discipline of Bible Study* Jenai J. Rasmussen Ed.D., 2022-07-22 This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God All who choose to enter into the new covenant must concurrently embrace a new perceptual field By heeding God's call to service believers embark upon a Christian journey to become wise from the application of spiritual knowledge This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to Christ's authoritative leadership Eph 4:15 By becoming covenant Christians set apart by God for his particular use we can be diligent by precisely and accurately handling the word of truth 2 Tim 2:15 This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions whether general or specific Accordingly Christ's disciples need to comprehend the questions before the answers can have real meaning No greater reason can be given for studying the Bible Therefore the people of God are duty bound to master this Christian discipline The first volume in this series is divided into three phases of Bible study Why addresses the importance of knowing God's word study motivations conditions for discipleship Christian distinctions and the attributes needed to study biblical truth How covers preliminary actions Bible versions principles study considerations and necessary skills What offers a unique sevenfold framework for understanding the Bible Divine power can move the Scriptures to be more than words on a page It can become a life changing force for good in the world To that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth Invaluable information accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text This work will also prepare the

reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen A
Commentary on the Holy Scriptures: Chronicles, Ezra, Nehemiah, Esther Johann Peter Lange, 1874 *The Publishers' Trade List Annual*, 1985 **Mastering the Old Testament: Ezra, Nehemiah, Esther**, 1994 **Books in Print**, 1987

Dictionary of Doctrinal and Historical Theology John Henry Blunt, 1870 **Literary Studies in the Hebrew Bible** Shemaryahu Talmon, 2023-08-14 The studies assembled in this volume focus on two issues firstly the analysis and illustration of literary techniques employed by authors and compilers of the books of the Hebrew bible In several instances their development is followed into the early post biblical Qumran writings and Apocrypha Thus the essays in this section relate to biblical literature qua literature an issue which has especially attracted scholars in the field of recent times In a second group of essays the author sets out to probe the interconnection of literature and society in biblical Israel Literary patterns foremost motifs are analyzed in the attempt to extract from them facets of underlying conceptual or speculative thought Since biblical authors refrained on the whole from presenting systematically their world of ideas the proposed evaluation of literary patterns may help in better gauging the conceptual universe of Israel in the biblical period *Ezra, Nehemiah, Esther* Mark Roberts, 1987-12 Forthcoming Books Rose Arny, 1988-07 *Canadian Books in Print*, 1991 **Ezra, Nehemiah** Thomas M. Bolin, 2016-12-01 The books of Ezra and Nehemiah relate the return of the Jewish exiles from Babylon during the rule of the early Persian kings For a long time interpretations of these two books by Christian exegetes characterized the Judaism of the post exilic age as narrow and nationalistic This interpretation led to a separation of post exilic Judaism from its pre exilic Israelite roots that allowed for a supersessionist reading of the Old Testament based on perceived deficiencies in the religious views of the post exilic era Informed by recent advances in our knowledge of the Persian Empire this commentary demonstrates that Ezra and Nehemiah offer a compelling story of a people's attempt to reassemble the fragments of their heritage as they face the future in a greatly changed world **Holman Old Testament Commentary - Ezra, Nehemiah, Esther** Knute Larson, Max E. Anders, Kathy Dahlen, 2005 No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms Considered by many to be the most loved portion of Scripture the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life This is the second of two volumes in the Holman Old Testament Commentary given to the Psalms that provide commentary on Psalms chapters 76-150 Some of the key Psalms receive an added in depth treatment that includes exposition illustrations and teaching plans <http://www.christianbook.com> Genesis to Revelation: Ezra, Nehemiah, Esther

The Communicator's

Commentary Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book's contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God's wisdom As a pastor with a passion for communicating God's truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts' deep faith and his dynamic relationship with Christ shine through every page As Dr Lloyd Ogilvie says in the editor's preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator's Commentary series this latest volume wrestles with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God's message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement

and enthusiasm to share what we've discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages *Australian Books in Print* ,1990
