Houwen, 2021-03-25 The first book to deal with the subject of Ezra Pound's relationships with Japanese literature as a whole, this book provides a wealth of new scholarship on this subject, including on the 19th century Japanese contexts that led to Pound's interest in *hokku* and Fenollosa's *No* translations on which Pound based his own significant original research on Pound's Japanese friendships that enriched his understanding of Japanese literature and an examination of all the explicit references to *No* in *The Cantos* in unprecedented depth. It demonstrates that the works for which Ezra Pound is most famous, such as *In a Station of the Metro* and his epic poem *The Cantos*, were shaped by his lifelong interest in Japanese literature.

Ezra Pound and the Appropriation of Chinese Poetry Ming Xie, 2021-12-12 First published in 1999, the subject of this book is the translation and appropriation of Chinese poetry by some English and American writers in the early decades of this century. The author explores the concerns as much with English translation of Chinese poetry *per se* as with the relationship between this body of translation from the Chinese and the developing poetics and practices of what is usually referred to as Imagism, as much with the question of historical influence or ascription as with certain interpretive and critical aspects of this correlative relationship. Focusing on the direct influence of Chinese poetry upon the theory and practice of Imagism, attributing to Imagist poets in general and Ezra Pound in particular the perception in Chinese poetry of the essential qualities and principles for rejuvenating English poetry in the early decades of the century. *The Correspondence of Ezra Pound and the Frobenius Institute, 1930-1959* Ezra Pound, 2024-02-22 Collecting in full for the first time the correspondence between Ezra Pound and members of Leo Frobenius' *Forschungsinstitut für Kulturmorphologie* in Frankfurt across a 30-year period, this book sheds new light on an important but previously unexplored influence on Pound's controversial intellectual development in the Fascist era. Ezra Pound's long-term interest in anthropology and ethnography exerted a profound influence on early 20th-century literary Modernism. These letters reveal the extent of the influence of

Frobenius concept of Paideuma on Pound's poetic and political writings during this period and his growing engagement with the culture of Nazi Germany. Annotated throughout, the letters are supported by contextualising essays by leading Modernist scholars as well as relevant contemporary published articles by Pound himself and his leading correspondent at the Institute of the Americas, Douglas C. Fox.

The Cambridge Companion to Ezra Pound Ira B. Nadel, 1999-02-11 An international team of scholars provides an invaluable introduction to Pound's work and life.

Ezra Pound and 'Globe' Magazine: The Complete Correspondence Ezra Pound, 2015-11-19 In the summer of 1936 Ezra Pound agreed to take on the role of European Correspondent for a newly launched travel journal entitled *Globe*. The *International Magazine* Ezra Pound and *Globe Magazine* The Complete Correspondence collects for the first time Pound's writings for the journal and his extensive correspondence with one of its editors, James Taylor Dunn, and the leading writers who Pound himself attempted to recruit for the magazine. Numbering almost forty letters and twenty published and unpublished articles, these writings represent a darkly significant time in Pound's thought as his infatuation with the rise of fascism took root. Annotated throughout and supported by substantial explorations of the historical and cultural contexts of the writings, the book also includes a substantial bibliography of related writings and a biographical glossary of the major figures discussed in the correspondence and writing. Together, these texts represent an important resource for anyone interested in an important phase of 20th Century literary modernism.

Modernity in East-West Literary Criticism Yoshinobu Hakutani, 2001 This collection of eleven essays concerns the movement of modernity in East-West literary criticism. Most of the contributions address particular cross-cultural relationships such as W.B. Yeats's interest in the Noh play, Ezra Pound's imagism and the influence of Zen aesthetics on Western poetry. The Western writers discussed range from Americans including Emerson, Thoreau, Faulkner, Wright, and Snyder to Europeans such as Marcel Proust. The Eastern writers include Basho, Tanizaki, Lao Tzu, Wan Wei, Tagore, and Yone Noguchi.

Ezra Pound and the Spanish World Viorica Patea, John Gery, Walter Baumann, 2024-04-26 This collection offers for the first time criticism, biographical essays, analysis, translation studies, and reminiscences of Ezra Pound's extensive interaction with Spain and Spanish culture from his earliest visits to Spain in 1902 and 1906 and his study of significant Spanish writers to the dedication of the first monument erected anywhere to Pound in the small Spanish village of Medinaceli in 1973. Divided into two sections, Part One, ON EZRA POUND AND THE SPANISH WORLD, includes a general introduction on Pound's lifelong involvement with Spain together with chapters on Pound's study

of classical Spanish literature the Spanish dimension in The Cantos Pound's contemporary Spanish connections and his legacy in contemporary Spanish letters Part Two EZRA POUND AND THE SPANISH WORLD A READER then gathers for the first time Pound's own writings postcards letters and essays concerning Spain and Spanish writers as well as his correspondence with Spanish poets Miguel de Unamuno and Juan Ramón Jiménez and with José Viquez Amaral the first Spanish translator of The Cantos in its entirety The volume includes reminiscences by Spanish Novsimos poets Antonio Colinas and Jaime Siles written explicitly for this collection Besides providing a thorough exploration into Pound's engagement with Spain this volume pays homage to Pound's considerable influence on Spanish culture *Ezra Pound and China* Zhaoming Qian, 2003-04-03 DIVEexplores Ezra Pound's long fascination with Chinese literature and culture div **Ezra Pound: Poet** A. David Moody, 2014-09-25 The long awaited second volume of A David Moody's critically acclaimed three part biography of Ezra Pound weaves together the illuminating story of his life his achievements as a poet and a composer and his one man crusade for economic justice The years 1921-1939 were the most productive of Pound's career In 1920s Paris he was among the leading figures of the avant garde and in that ambience he composed an opera made original contributions to the theory of harmony and wrote the first thirty cantos of his great epic Moody explores this creativity in fascinating detail examining the environment that allowed for some of Pound's greatest work This period also brought Pound's politics firmly into view and Moody is able to shed new light on his sympathy for Mussolini's Fascism his invoking Confucian China as a model of responsible government and his abiding commitment to the democratic values of the American Constitution Pound is revealed as a great poet and a flawed idealist caught up in the turmoil of his darkening time and struggling sometimes blindly and in error and self contradiction to be a force for enlightenment **Ezra Pound, Poet** Anthony David Moody, 2007 This third and final volume of A David Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time In this volume we experience the 1939-1945 World War and Pound's hubristic involvement in Fascist Italy's part in it we encounter the grave moral and intellectual error of Pound holding the Jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime's effort to promote in and through his Cantos and his translations a consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension **American Studies as Transnational Practice** Yuan Shu, Donald E. Pease, 2015-12-22 This wide ranging collection brings together an eclectic group of scholars to reflect upon the transnational configurations of the field of American studies and how these have affected its localizations epistemological perspectives ecological imaginaries and politics of translation The volume elaborates on the causes of the transnational paradigm shift in American studies and describes the material changes that this

new paradigm has effected during the past two decades The contributors hail from a variety of postcolonial transoceanic hemispheric and post national positions and sensibilities enabling them to theorize a crossroads of cultures explanation of transnational American studies that moves beyond the multicultural studies model Offering a rich and rewarding mix of essays and case studies this collection will satisfy a broad range of students and scholars *On the Record Re Japan* ,1996
