Face Of Love Heavenly Romance:

Heaven, the Heart's Deepest Longing Peter Kreeft, 2013-02-11 A major book on the subject of heaven this expanded edition examines the hunger for heaven that is so strong in all of us Fascinating and upbeat Heaven the Heart's Deepest Longing thoroughly explores the psychological and theological dimensions of this search for total joy and for the ultimate reality that grounds it *Words I Love, Volume 7* Charles Santiago, 2025-09-18 Friends of grieving widows and widowers often advise them after a certain point that they need to get on with their lives Life goes on they say implying that the deceased loved ones are forever gone remaining only in the cherished memories of their loved ones The widows and widowers are told that they will be united with their loved ones at long last when they themselves depart this life In the meantime they must get on with their lives But are we as human beings dependent totally upon our earthly bodies for our existence If not is it so that when we survive the death of the body we must depart from our loved ones in order to enter the afterlife Here on Earth if we can conceive that we might be able to continue living with our departed loved ones in a spiritual way is it possible that we might then discover that we actually can The poems of Words I Love might be considered by some to be the wishful thinking of a bereaved widower On the other hand the poems could be considered to be an actual dialogue between an earthly beau and his heavenly belle

The Dreamer, a Romantic Rendering of the Life-story of Edgar Allan Poe Mary Newton Stanard, 1925 *English Poetry of the Romantic Period 1789-1830* J.R. Watson, 2014-03-18 On its first appearance English Poetry of the Romantic Period was widely praised as one of the best introductions to the subject This edition includes updated material in the light of recent work in Romanticism and Romantic poetry The book discusses the concerns that linked the Romantic poets from their responses to the political and social upheavals around them to their interest in the poet's visionary and prophetic role It includes helpful and authoritative discussions of figures such as Blake Clare Coleridge Crabbe Keats Scott Shelley and Wordsworth *English Poetry and Prose of the Romantic Movement* George Benjamin Woods, 1916 *The Making of Romantic Love* William M. Reddy, 2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan* William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise

and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire *Romantic Love and Personal Beauty* Henry T. Finck, 1887 **English Poetry of the Romantic Period, 1789-1830** John Richard
