Mikhail Larionov and the Cultural Politics of Late Imperial Russia
Sarah Warren,2017-07-05 In the turbulent atmosphere of early twentieth century Tsarist Russia avant garde artists took
advantage of a newly pluralistic culture in order to challenge orthodoxies of form as well as social prohibitions Very few did
this as effectively or to as broad an audience as Mikhail Larionov This groundbreaking study examines the complete range of
his work painting book illustration performance and curatorial work and demonstrates that Larionov was taking part in a
broader cultural conversation that arose out of fundamental challenges to autocratic rule Sarah Warren brings the culture of
late Imperial Russia out of obscurity highlighting Larionov s specific interventions into conversations about nationality and
empire democracy and autocracy and people and intelligentsia that colonized all areas of cultural production Rather than
analyzing Larionov s works within the same interpretive frameworks as those of his contemporaries in France or Germany
such as Matisse or Kirchner Warren explores the Russian s negotiations with both nationalism and modernism Further this
study shows that Larionov s group exhibitions public debates and face painting performances were more than a derivative
repetition of the techniques of the Italian Futurists Rather these activities were the culmination of his attempt to create a

radical primitivism one that exploited the widespread Russian desire for an authentic collective identity while resisting imperial efforts to appropriate this revivalism to its own ends **Monster Faces** Bethany Miller,2025-08-01 In **Monster Faces** young readers will learn how to paint scary faces They will be inspired by movie monsters and creepy creatures in nature Basic face painting techniques and step by step projects allow readers to turn faces into swamp monsters lizards Frankenstein s monster and more Aligned to Common Core Standards and correlated to state standards Super Sandcastle is an imprint of Abdo Publishing a division of ABDO **Animal Faces** Bethany Miller,2025-08-01 In **Animal Faces** young readers will learn how to paint faces with playful animal designs They will be inspired by the work of professional makeup artists and animal photography Basic face painting techniques and step by step projects allow readers to turn faces into dragons ladybugs cats and more Aligned to Common Core Standards and correlated to state standards Super Sandcastle is an imprint of Abdo Publishing a division of ABDO
