Exposition Of The Parables:

Exposition of the Parables John Gylby Lonsdale, 1855 **An Exposition of the Parables and of Other Parts of the Gospels**, Edward Greswell, 1835 **An Exposition of the Parables, and of Other Parts of the Gospels** Edward Greswell (B.D.), 1834 **The Parables of Jesus** Siegfried Goebel, 1890 The Challenge of Jesus' Parables Richard N. Longenecker, 2000 A fresh look at the meaning of Jesus parables for Christian living today The parables recorded in the Gospels are central for an understanding of Jesus and his ministry Yet the parables are more than simple stories they present a number of obstacles to contemporary readers hoping to fully grasp their meaning In this volume thirteen New Testament scholars provide the background necessary to understand the original context and meaning of Jesus parables as well as their modern applications all in a manner easily accessible to general readers Contributors Stephen C Barton Craig A Evans Richard T France Donald A Hagner Morna D Hooker Sylvia C Keesmaat Michael P Knowles Walter L Liefeld Richard N Longenecker Allan W Martens Klyne R Snodgrass Robert H Stein Stephen I Wright **An Exposition of the Parables and of Other Parts of the Gospels**, Edward Greswell, 1834 An Exposition of the Parables: Four Unabridged Books in One Benjamin Keach, 2017-01-29 Please see the description for this title below But first Our promise All of our works are complete and unabridged As with all our titles we have endeavoured to bring you modern editions of classic works This work is not a scan but is a completely digitized and updated version of the original Unlike many other publishers of classic works our publications are easy to read You won't find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % that is as to the matter or depth of divine wisdom and with that authority and evidence of truth But when we consider that almost all which our Lord spake to the multitude he spake in parables and in them being hid the rich treasure of his heavenly doctrine or such things that had been kept secret from the foundation of the world that it might be fulfilled which was spoken by the prophets it may seem strange that none of our learned modern divines nor others have been stirred up to write an exposition upon all the parables and similitudes spoken by our blessed Lord in the four evangelists Though it is true some of them have most excellently written upon and opened a few of them but no one author as I can learn hath in one or more volumes written upon them all if the greatest part nor any exposition as I can meet with of many of them yet what large and learned expositions have they written upon divers books of the Old and New Testament So that what is here presented to your view hath not been done by any before and it might have been wished that some now better capable than I am had been stirred up to have undertaken it And considering that the parables contain the substance of our Saviour's ministry and the profound mysteries couched therein the sense of my great weakness or inability to manage so great a work hath caused me not to undertake it without tremblings of heart and many prayers and cries to God that my heart tongue and pen might be influenced and guided by the divine Spirit though the want of those attainments that some have arrived at beyond what I

pretend to hath been no small discouragement to me Though I am persuaded I have not been left without the gracious assistance of the Spirit of Truth nor have I omitted searching into what authors I could meet with who have either written upon the parables and on the customs of the Jews to which in many things contained in them our Saviour doth refer Moreover I have had regard to those four rules mentioned by the learned in opening of the parables viz their Properties Qualities Effects Operations And that with special respect to their constitution natural civil or moral and have laboured to draw forth suitable propositions which are raised and prosecuted from the scope or principal matter contained in one or another parable though perhaps I may vary from the directions given by one or two authors I have met with about opening of and drawing propositions from parables who insinuate as if no propositions nor answerable applications ought to be made but from the general scope of the parable Now in this I am not of their opinion for some things that may perhaps not so clearly appear to lie in the direct scope may contain in them much instruction and profitable truths may be raised therefrom and improved *An Exposition of the Parables* Holled Darrell Cave Smith Horlock (D.D., Vicar of Box, Chippenham.),1844
