Exposition Of The Gospel Of John:

Exposition of the Gospel of John Arthur W. Pink, 1968-02-20 Three unabridged volumes in one by a renowned bible expositor Study questions at the end of chapters **An Exposition of the Gospel ... According to John. [With the Text.] By George Hutcheson ... Reprinted from the Edition of 1657**, 1657 *An Exposition of the Gospel of John* Michael L. Gowens, 2018-11 Unlike the other three Gospels John is primarily theology not synoptic John's purpose is to prove that Jesus is the Son of God coeternal coessential and coequal with the Father The preponderance of evidence John cites for the deity of Jesus Christ is so conclusive that those who stridently oppose the facts like the religious leaders of Jesus day reveal a level of moral antagonism that merits condemnation Only grace can conquer such animosity of heart and enable the mind to consider the gospel message That is the message of the Gospel of John *The Gospel of John* Arno Clemens Gaebelin, 1925 **The Gospel of John** F. F. Bruce, 1994-10-18 This popular verse by verse exposition of John based on Bruce's own translation of the Gospel reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader Footnotes and bibliography are included pointing the reader to resources for further study **Exposition of the Gospel of John** Arthur W. Pink, 1982 *The Gospel of John* Charles Rosenbury Erdman, 1922 Exposition of the Gospel of John, V3, John Arthur Walkington Pink, 2012-06-01 **Exposition of the Gospel of John** Arthur Walkington Pink, 1945 Exposition of the Gospel According to John William Hendriksen, 1953 Exposition of the Gospel of st. John Robert Govett, 1881 An exposition of the Gospel according to st. John [ed. by James Fawcett]. John Fawcett, 1860 *The Gospel of John* Arno Clemens Gaebelin, 1936 *The Gospel of John: An Exposition (1916)* Charles Rosenbury Erdman, 2009-05 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work The Gospel of John Charles R. Erdman, 2016-10-17 Excerpt from *The Gospel of John An Exposition* How shall we regard Jesus Christ Is he to be admired as the best of men or may he also be worshiped and trusted as God was he the greatest Of prophets or is he also the Messiah the predicted Saviour Of the world Then again does it really matter how we regard him Is it true that our attitude toward him is a test of character and that belief in him affects life and determines destiny Then further has there been given us sufficient evidence on which to base our belief and do we have such testimony as to warrant our trust With these three great questions the Gospel of John is continually concerned and they find definite answers in the first eighteen verses which form a preface or introduction and are commonly called the Prologue Here it is affirmed that Jesus Christ has ever existed as God as indeed the Creator by whom all things were made It is also stated that faith in him results in such a moral transformation as can best be described as being born Of God It is further indicated that this faith is based on the witness of men who were his intimate companions in the days of his flesh and who spoke from

personal experience Thus the Prologue presents all the essential ideas Of the Gospel as it deals with the testimony to the Person of Christ the manifestation of faith and unbelief and the issue of faith in life John 20 30 31 These verses have been variously analyzed It may be helpful to divide them into three short paragraphs and to notice that while all embody the great ideas Of the Gospel each emphasizes a particular truth which may be indicated as follows Verses 1 5 Christ the Revealer of God verses 6 13 the response of unbelief and faith verses 14 18 the experience of believers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Gospel of St. John: an Exposition Exegetical and Homiletical. [With the Text in the Revised Version] ... Thomas Whitelaw, 1888 *The Gospel of John; an Exposition* Charles Rosenbury Erdman, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1916 edition Excerpt The Jews answer For a good work we stone thee not but for blasphemy and because that thou being a man makest thyself God In replying Jesus first frees himself from their charge and then establishes the truth of his divine claim Vs 34 38 By his defense Jesus does not renounce his claim to deity but he argues that if the judges who represented Jehovah in their appointed office could be called gods in the Hebrew scriptures it could not be blasphemy for him who was the final and complete revelation of God to call himself the Son of God Jesus further replies that he was not only innocent of blasphemy but which is more important that he has stated in reference to his Person only that which is true His divine works of mercy and love are proofs of his oneness with God If they will not believe his words they should at least be convinced by these signs The attempt to stone Jesus is for the time abandoned and while his enemies are planning his arrest he escapes from their hands and withdraws from the city to a safe

retreat east of the Jordan Here in the scene of the ministry of John the Baptist many persons influenced by the memory of the testimony of John and further by the miracles of Jesus became his disciples Their faith formed a striking contrast to the unbelief which had been reaching its climax in Jerusalem The breach between Jesus and the rulers is now complete and it should be carefully noted that it was due to the claims of Christ to be not only the Messiah but the Son of God This claim is here made with unparalleled clearness and defended by Christ on the ground of his miracles To set forth such testimony was the first purpose of the writer of this Gospel Whatever we may think of the The Gospel of John Charles Rosenbury Erdman,1933 *Exposition Of The Gospel Of St. John* Robert Govett,2023-07-18 Govett s insightful commentary on the Gospel of John offers readers a deeper understanding of one of the most important books in the Bible With clear and engaging prose Govett explains the historical and theological context of each passage making this book an invaluable resource for scholars and lay readers alike This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
