website at outlinebible.org **The Epistles General of Peter with the Epistle of Jude** G. F.C. Fronmuller, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologisch-homiletisches Bibelwerk. Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This nineteenth century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect. **The Message of 2 Peter & Jude** Dick Lucas, Christopher Green, 2021-06-08 Today, as in the first century, Christians must guard against false guides leading believers astray and causing divisions within the church. Responding to this ever-present danger, 2 Peter and Jude equip readers to discern truth from illusion and exhort them to loyalty, harmony, and spiritual maturity. This revised BST volume offers passage by passage exposition of the letters of 2 Peter and Jude. *James, 1-2 Peter, Jude, Revelation* Robert Mulholland, Grant Osborne, 2016-09-26 The Cornerstone Biblical Commentary series provides up-to-date evangelical scholarship on the Old and New Testaments. Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text. The commentary series has been structured to help readers understand the meaning of Scripture passage by passage through the entire Bible. The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars. The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts. That's why we call it The Truth Made Clear. About the authors of this volume: Grant R. Osborne, PhD, University of Aberdeen, is Professor of New Testament at Trinity Evangelical Divinity School. He has authored and edited numerous books, including *The Hermeneutical Spiral* and many commentaries on the New Testament. M. Robert Mulholland Jr., ThD, Harvard Divinity School, is vice president of Asbury Seminary and an expert in New Testament and Christian Origins and spiritual formation. His several books include *The Deeper Journey* and contributions to the *Dictionary of Jesus and the Gospels*. He is also a frequent speaker at Bible and spiritual renewal conferences. **Epistle to the Hebrews** John Brown, 2008-08 John Brown is excellent on this book, and it certainly is worth owning. Spurgeon reports that Dr. David Smith says of this work: "There is not a single instance of carelessness in investigating the true meaning of a text or of timidity in stating the conclusion at which the author has arrived." Spurgeon adds: "What more could be said in praise of any exposition." John Brown of Edinburgh is a superior expositor, and his work on this book proves it again. 2 Peter Harry Uprichard, 2022-08-03 Peter's second letter is about growing in Christ amid false teaching so that Christ's character will be reflected in our lives. Peter begins by explaining true knowledge

of God It is a saving growing fruitful assured and remembered knowledge The source of this true knowledge of God is Scripture Scripture comes from God Men spoke from God carried along by the Holy Spirit Peter next contrasts false knowledge of God with true knowledge of God There are false teachers among the churches Peter addresses whose precursors are the false prophets of the Old Testament Arrogance sensuality and emptiness characterize these false teachers They not only deny the truth but also live immoral lives False knowledge of God leads nowhere but to God s condemnation and to eternal death Peter finally writes of practical knowledge of God He recalls the predictions of the prophets and the commandment of their Lord and Saviour through the apostles Practical knowledge of God produces godly living assures that God fulfils all his promises in Scripture and confirms growth in grace and knowledge of our Lord Jesus Christ All of this is possible through Scripture Let s together see how Peter explains in detail how to grow in Christ amid false teaching
