D. Watson,2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God s part and man s part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God s sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord **A Youth Worker's Commentary on John, Vol 1** Les Christie,David P. Nystrom,2011-09-06 When a youth pastor is preparing a lesson it s sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text A Youth Worker s Commentary on John is the first in a new series of commentaries developed with youth workers in mind An in depth yet readable approach to the gospel of John this first volume includes commentary word studies personal and historical stories and discussion questions that will help get students thinking and talking The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament This commentary has the entire NIV biblical text printed alongside a rich deep look into the meaning of this gospel Youth workers will find this to be an invaluable aid for message and lesson preparation They ll get a solid understanding of the gospel of John including its historical context rationale and meaning to see how to apply what they uncover to the needs and issues the teens in their group are dealing with **The Publishers' Circular** ,1862 [The Son Cometh Volume II](#) Brian D. Baldemor,2024-12-15 From the rise of Herod ca 44 BCE to the destruction of Jerusalem 70 CE The Son Cometh is an exegetical systematic and historical study chronicling several religious and political strands central to the life and ministry of Jesus Christ As an exposition of the Christian faith this work not only apologetically and evangelistically endeavors to provide the reader with the historical context and approximate timeline for the writing of the New Testament canon e g the Synoptic Gospels John Acts Revelation and other apostolic epistles but also a background to the Law and Prophets as foreshadows and types leading up to the fullness of time including extensive references and citations of other Jewish Roman and Christian primary sources e g Philo Josephus and Eusebius [Life in the Son](#) Robert Shank,2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person s eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person

have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever s eternal condemnation **Publishers' circular and booksellers' record** ,1862

Love and the Law Benjamin Szumskyj,2025-08-01 When Messiah Yeshua told his disciples If you love me you will keep my commandments John 14 15 what exactly did he mean Was he referring only to the commandment to love only to the teachings given during his earthly ministry or also to the commandments found in the Torah Love and the Law A Pronomian Pocket Guide to John 14 15 tackles this question by examining the verse in its immediate context exploring parallel passages in the Johannine Literature clearly defining the Greek terms used in the verse and maintaining a high view of bibliology In this short book Dr Benjamin Szumskyj challenges the traditional interpretations of John 14 15 and encourages readers to consider a pronomian pro Law perspective With a commitment to exegetical consistency and the continuity of Scripture this work invites believers to reexamine what it truly means to love Yeshua by doing his commandments from Mt Sinai to the closing of the canon **The Congregational Quarterly** Joseph Sylvester Clark, Henry Martyn Dexter, Alonzo Hall

Quint, Isaac Pendleton Langworthy, Christopher Cushing, Samuel Burnham, 1874 **The Place of Judas Iscariot in Christology** Anthony Cane, 2017-07-05 Exploring the significance of Judas Iscariot for Christian theology and the difficult issues surrounding Judas Anthony Cane shows that focusing on the tension between providential and tragic interpretations of Judas in the New Testament and in subsequent writing about Judas is the key to understanding his significance Building on the work of Karl Barth and Donald MacKinnon Cane s argument sheds light not simply on the way Judas is understood but on

the way Jesus and the whole economy of salvation are understood This book also highlights implications for the way in which issues relating to anti-Semitism and evil and suffering are most effectively explored **Expository Thoughts on the**
