Expository Notes On Ezekieli The Prophet:

Expository Notes on Ezekiel the Prophet Henry Allan Ironside, 1959 *Expository Notes on Ezekiel the Prophet* H. Ironside, 2016-03-23 For many years it has been on my heart to try to produce a running commentary on the book of Ezekiel but until the present circumstances have not permitted this During the last few months it has brought great blessing to my own soul as I have given many hours daily to meditation upon and study of this remarkable book of which the present work is the result No one can be more conscious than I of its many imperfections and yet it is my hope that there may be enough in it of a truly spiritual character that it will prove a means of blessing and edification to those who take the time to read it thoughtfully and prayerfully H A IRONSIDE **Expository Notes on Ezekiel** H.A. A Ironside, 2017-10-25 For many years it has been on my heart to try to produce a running commentary on the book of Ezekiel but until the present circumstances have not permitted this During the last few months it has brought great blessing to my own soul as I have given many hours daily to meditation upon and study of this remarkable book of which the present work is the result No one can be more conscious than I of its many imperfections and yet it is my hope that there may be enough in it of a truly spiritual character that it will prove a means of blessing and edification to those who take the time to read it thoughtfully and prayerfully H A IRONSIDE *Ezekiel (Understanding the Bible Commentary Series)* Steven Tuell, 2012-07-01 The Understanding the Bible Commentary Series helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the easily understandable truth found in this commentary series **Ezekiel** John Bernard Taylor, 1969 **A New Heart** Bruce Vawter, Leslie J. Hoppe, 1991 Vawter s study on the Book of Ezekiel is a contribution to the International Theological Commentary whose goal is to bring the Old Testament alive in the worldwide church In moving beyond the usual critical historical approach to the Bible the series offers a distinctive theological interpretation of the Hebrew text Ezekiel Walther Eichrodt, 2003-06-20 This volume brings to life the ministry and message of one of the most neglected of the major Old Testament prophets and illuminates one of the most fascinating chapters on the history of Israel

Besides giving a verse by verse commentary of the Book of Ezekiel Walther Eichrodt fully discusses its origin and composition and all the knotty problems of the prophet's own activity The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14

Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

9 Wars of the End Times David Reagan, 2023-05-10 Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon But do you know Bible prophecy also reveals eight other wars Arm yourself with the truth of what God's prophetic Word says about the end times and make sure you're ready for Jesus' return Some topics addressed in this timely book are Is Psalm 83 a prophecy about an end time war What is likely to be the timing of the War of Gog Magog What end time war could be characterized as World War III Is there any evidence that nuclear weapons will be used in any of the end time wars Which war of the end times will be supernatural in nature What wars of the end times will focus on the Jewish people Why is The Battle of Armageddon a misnomer Why will the Millennial reign of Jesus end with a war Is there any hope of a world of eternal peace

YHWH Is There Drew N. Grumbles, 2021-08-24 How do we make sense of Ezekiel 40-48 Ezekiel's temple vision has long mystified Bible readers and scholars Is this a temple that is going to be built in the future Or is this merely

symbolic Why so many details Is there any relevance to this section of the Old Testament at all This book addresses these important questions showing how Ezekiel s temple is more than just symbolic Yet its ultimate fulfillment is not in any physical building but according to the New Testament in Jesus and the new heavens and new earth Not only will this book illuminate Ezekiel 40 48 for you it will also help you understand important issues of interpretation in our day such as typology the role of the temple in biblical theology and the New Testament use of the Old Testament You will learn that yes in fact Ezekiel 40 48 is very relevant to the Bible s storyline

An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne, 1852

Ezekiel John W. Hilber, 2019-08-13 The primary goal of this commentary is to focus attention on what mattered most to Ezekiel and to craft a direction and scope of application that the prophet himself would recognize were he to preach to God s people today In addition to focusing on the most urgent interpretive issues of the text another goal of this commentary is to explain in simple terms the reasons behind significant translation differences Embedded in some verses in Ezekiel are particularly complicated or troubling biblical theological issues Special topical discussions address these at appropriate locations throughout the commentary

Ezekiel- Everyman's Bible Commentary Ralph Alexander, 1976-06-01 The Old Testament book of Ezekiel is filled with visions and prophecies the Lord revealed to His prophet Although these revelations were given to the people of Israel during their Babylonian captivity many of them are yet to be fulfilled Ezekiel gives warnings of punishment for evil practices and waywardness but also glorious promises to encourage those who seek to honor the Lord even in the midst of trials Bible students are often puzzled by these difficult visions and fail to perceive God s central message that He alone is Lord Dr Ralph Alexander discusses each section of the prophecy in summary and then treats the major themes dealing with various questions and problems that arise
