Extel 100 The Centenary History Of The Exchange Telegraph Company:

Extel 100: the Centenary History of the Exchange Telegraph Company James Maurice Scott, 1972 **History of Telegraphy** K. G. Beauchamp, 2001 Beauchamp 1923 99 retired from the U of Lancaster UK devotes the first half of the book to terrestrial telegraphy from the beginnings of communication with mechanical signaling to the electrical system using Morse code including a large chapter on the laying of submarine cables across the English Channel and the Atlantic Ocean The second half on aerial telegraphy discusses its beginnings with Marconi and its use on board ships and aircraft in both world wars Dozens of maps show routes of telegraph cable and figures depict old telegraph equipment Annotation copyrighted by Book News Inc Portland OR *International Bibliography of Business History* Francis Goodall, Terry Gourvish, Steven Tolliday, 2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians **Debrett's Bibliography of Business History** Stephanie Zarach, 1987-06-18 **The Americanization of the British Press, 1830s-1914** J. Wiener, 2011-10-03 The first book to compare and contrast the rise of mass circulation press in Britain and America It provides insights into the origins of tabloid journalism and explores a range of cross cultural and literary issues tracing the history of key newspapers and the careers of influential journalists such as Bennett Russell Harmsworth and Pulitzer A History of the British Sporting Journalist, c.1850-1939 Stephen Tate, 2020-02-24 At the heart of this text strides James Catton less than five feet tall but a giant in the field of sporting journalism It is the story of his career from boy reporter in 1870s Lancashire to editor of the influential Manchester based weekly Athletic News and then grand old man of Fleet Street sports writing in the 1920s and 30s The book also presents the story of others too the first journalists to turn action into news as raw carnivalesque violent pastimes were replaced by codified and commercialised games Detailing the history of their trade the book searches for the roots of sports journalism pushing for the first time the newspaper reporter to the foreground in the shared history of the press and sport Editorial recruitment training writing styles pay status rivalry and camaraderie technology celebrity the press box the player reporter and drinking culture are all examined as are the values men like Catton claimed sport at its best represented **Breach of Confidence** Megan Richardson, Michael Bryan, Martin Vranken, Katy Barnett, 2012-01-01 The authors of this important book have done a great service to our understanding of this

fascinating area of law Their shrewd and scholarly study traces the development and myriad reinventions of this protean doctrine from its eighteenth century origins through to its most recent manifestation as a private facts tort in English law enriching legal analysis with consideration of the philosophical social and economic contexts Common law privacy scholars in particular will find that this book directly illuminates contemporary debates Gavin Phillipson University of Durham UK The authors breathe new life into this complex recondite branch of the law An illuminating and penetrating study of an ancient remedy whose importance endures and even increases Raymond Wacks University of Hong Kong This concise yet detailed book explores the historical foundations and modern developments of the ancient doctrine of breach of confidence The authors show that despite its humble beginnings stilted development and air of quaintness the doctrine has modern relevance and influence its sense of trust and confidence still resonating with the information society of today Topical chapters include Inventing an equitable doctrine Privacy and publicity in early Victorian Britain Searching for balance in the employment relationship as well as many others Breach of Confidence will make insightful reading for all those interested in issues of privacy and information and will appeal strongly to practicing lawyers and judges as well as academic researchers and postgraduate law students

The International Distribution of News Jonathan Silberstein-Loeb, 2014-02-24 Based on newly available and extensive archival evidence this book traces the history of international news agencies and associations around the world from 1848 to 1947 Jonathan Silberstein Loeb argues that newspaper publishers formed news associations and patronized news agencies to cut the costs of news collection and exclude competitors from gaining access to the news In this way cooperation facilitated the distribution of news The extent to which state regulation permitted cooperation or prohibited exclusivity determined the benefit newspaper publishers derived from these organizations This book revises our understanding of the operation and organization of the Associated Press the BBC the Press Association Reuters and the United Press It also sheds light on the history of competition policy respecting the press intellectual property and the regulation of telecommunications

The British Industrial Decline Michael Dintenfass, Jean-Pierre Dormois, 2002-11 This book sets out the present state of the discussion of the decline in British industry and introduces new directions in which the debate is now proceeding

Horseracing and the British, 1919-39 Mike Huggins, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book provides a detailed consideration of the history of racing in British culture and society and explores the cultural world of racing during the interwar years The book shows how racing gave pleasure even to the supposedly respectable middle classes and gave some working class groups hope and consolation during economically difficult times Regular attendance and increased spending on betting were found across class and generation and women too were keen participants Enjoyed by the royal family and controlled by the Jockey Club and National Hunt Committee racing's visible emphasis on rank and status helped defend hierarchy and gentlemanly amateurism and provided support for more conservative British attitudes The mass

media provided a cumulative cultural validation of racing helping define national and regional identity and encouraging the affluent consumption of sporting experience and a frank enjoyment of betting The broader cultural approach of the first half of the book is followed by an exploration of the internal culture of racing itself *A Bit of a Flutter* Mark Clapson,1992

Edinburgh History of the British and Irish Press, Volume 2 Finkelstein David Finkelstein,2020-01-10 A thorough account of newspaper and periodical press history in Britain and Ireland from 1800 1900 Provides a comprehensive history of the British and Irish Press from 1800 1900 reflected upon in 60 substantive chapters and focused case studies Sets out to capture the cross regional and transnational dimension of press history in nineteenth century Britain and Ireland Offers unique and important reassessments of nineteenth century British and Irish press and periodical media within social cultural technological economic and historical contexts This is a unique collection of essays examining nineteenth century British and Irish newspaper and periodical history during a key period of change and development It covers an important point of expansion in periodical and press history across the four nations of Great Britain England Ireland Scotland and Wales concentrating on cross border and transnational comparisons and contrasts in nineteenth century print communication Designed to provide readers with a clear understanding of the current state of research in the field in addition to an extensive introduction it includes forty newly commissioned chapters and case studies exploring a full range of press activity and press genres during this intense period of change Along with keystone chapters on the economics of the press and periodicals production processes readership and distribution networks and legal frameworks under which the press operated the book examines a wide range of areas from religious literary political and medical press genres to analyses of overseas and migr press and emerging developments in children s and women s press Communication History in Canada Daniel J. Robinson,2004 A distinctive blend of history geography government economics and biculturalism meant that communication systems and the mass media evolved differently in Canada than in either the United States or Europe Bringing together twenty six articles that range in subject from colonial newspapers in the early 1800s to music television in the 1980s Communication History in Canada provides the historical foundation for a thorough contextual analysis of modern day media and communication in this country From Marshall McLuhan and Harold Innis to Mary Vipond and Will Straw the authors in this volume represent a wide cross section of disciplines including history communication studies sociology journalism political science and film studies Their essays are grouped in five sections Time Space Technology and Nation which explores the relationship between media society and human thought Postal Systems and Telecommunications which centres on the telegraph the telephone and computers Print Mass Media which describes the origins and diffusion of newspapers and magazines with a particular emphasis on commercialization through advertising and market research Broadcast Media which charts the rise of radio broadcasting in the inter war years and of television broadcasting from the 1950s through the 1980s and Cultural Industries which examines film and sound recording **The Encyclopedia of the British Press, 1422-1992**
