Machle, 2008-03-01 This book is the response to a lifetime of questions raised by fellow philosophers by students and by the author's own wrestlings Since the author claims that Jesus's importance goes beyond his being just a moral teacher Edward Machle discusses the difference between the foundations of philosophy and of theology and how the disciplines of philosophy and theology use language differently Then Machle goes on to present his somewhat unorthodox evaluations of the four gospels and their relevance rejecting for instance claims of a Q document and dating Matthew later than Luke Since any account of Jesus must assume that before Jesus appears in the

records he had a distinctive development two admittedly fictional narratives follow preparing for distinctive emphases in the author's later discussions of frequently met problems about Jesus's birth miracles aims and death Machle lays unusual emphasis on the centrality of the title Son of Man for Jesus Extensive discussions of the resurrection narratives and questions about them follow leading to a unique treatment of John's Prologue The last three chapters deal with Jesus's relation to modern belief and life

**Fabricating Jesus** Craig A. Evans,2025-06-16 Modern historical study of the Gospels seems to give us a new portrait of Jesus every spring just in time for Easter The more unusual the portrait the more it departs from the traditional view of Jesus the more attention it gets in the popular media Why are scholars so prone to fabricate a new Jesus Why is the public so eager to accept such claims without question What methods and assumptions predispose scholars to distort the record Is there a more sober approach to finding the real Jesus Commenting on such recent releases as Bart Ehrman s Misquoting Jesus James Tabor s The Jesus Dynasty Michael Baigent s The Jesus Papers and the Gospel of Judas for which he served as an advisory board member to the National Geographic Society Craig Evans offers a sane approach to examining the sources for understanding the historical Jesus     **Dictionary of the Later New Testament & Its Developments** Ralph P.
