## **Extreme Golf The Worlds Most Extreme Courses:**

*Extreme Golf* Duncan Lennard, 2004 *Extreme Golf* is a captivating journey through the world's most geographically extreme climatically challenging dangerous and uniquely designed courses From the sweltering courses of the desert to the freezing ice golf championships in Greenland and from the erotically shaped bunkers in lush surroundings in France to the harsh surfaces in Kabul golf is clearly no longer the elite sport it once was Today's golfers at least the ones not wearing plaid pants are looking for the extreme where the rough is patrolled by wild animals and the greens are sometimes white This lushly illustrated book features more than 200 breathtaking and often hilarious photographs capturing the true spirit of extreme golf accompanied by light hearted and engaging text Including an appendix listing the unusual courses around the world in case you'd like to make a tee time *Extreme Golf's* chapters include Location Location Location out of the way places in the world Courses for Concern difficult due to geographic oddities Golf by Design in which the course designer influences the extreme setup In the Rough really hard courses in really strange places *Extreme Golf* Duncan Lennard, 2004

**Adventures in Extreme Golf** Duncan Lennard, 2013-03 For many golfers the innocent thrill of striking a drive clearly avoiding a deep bunker or holing out an unlikely putt is all they need to make a round or a whole year of golf memorable But there's an obsessed subculture of modern players in search of something more They've rediscovered the magic of the game in *Adventures in Extreme Golf* and their adventures are about to inspire golfers everywhere Follow golfers like Andre Tolme and Torsten Schilling who go to Mongolia to play in a par 11 880 course to 12 000 feet at Snowmass in Aspen to the naked open in New Zealand and to the freezing temperatures of Antarctica Duncan Lennard describes a world at the very edge of sport where the courses may be only ten holes long but the average length of each hole is 638 yards Learn that your resilience and not just a pretty swing determines your success *Adventures in Extreme Golf* will take you all over the world and show you that a par four is nothing compared to these holes See courses you've only seen in your dreams or rather your nightmares and follow Duncan Lennard as he takes you on a trip to see why these courses and holes are considered extreme

**Remarkable Golf Courses** Iain Spragg, 2018-02-15 *Remarkable Golf Courses* encompasses the extremes of the sport from the highest golf course in La Paz Bolivia to the lowest in Death Valley USA from the most northerly in the Arctic Circle to the most southerly in Tierra del Fuego *Sports around the World* John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports *Sports Around the World History Culture and Practice* provides a unique global overview of sports and sports cultures Unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world regions for example Latin America and the Caribbean the Middle East and North Africa Europe and Oceania in order to

provide a more global perspective These essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player

**Golf Stole My Brain - And Other Strange Golfing Tales** Dale Concannon,2015-11-05 According to the legendary Sam Snead golf is the most frustrating sport of all One day you are up on Cloud Nine and the next day you couldn t scratch a whale s belly he once famously said Like many of us who play the game he understood that few sports offer more opportunity to make complete fools of ourselves than golf For anyone from the most celebrated professional to the lowliest hacker it can appear deceptively easy at times and virtually impossible at others Highlighting the idiosyncratic nature of the game and the often messianic fervor of those who play it this collection of unique and often amusing tales will have you shaking your head in disbelief From the European Ryder Cup star who claimed his rental house was haunted to the German farmer who filed a lawsuit against a nearby golf club claiming they had murdered thirty of his UK 12 99 cows absolutely nothing is out of bounds The story of golf is full of wacky individuals who obsess over a missed putt or wayward drive From the player who bet his life on a round of golf to the complete novice who fancied he could take on the world s best players in the British Open this book celebrates some of the best and worst golfers ever to pick up a titanium 3 wood The product of many years of research Golf Stole My Brain contains a mass of little known and hitherto unpublished stories The same applies to the photography Illustrated throughout with some of the most unusual images ever used it s entertaining informative but above all fun So take a look you may even recognise someone you know
