lives and works of Irish women writers active in a range of genres and periods Each entry includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and a list of works by and about the author The volume closes with a selected general bibliography Ireland has an especially lively literary tradition and works by Irish writers have long been recognized as interesting and influential While male writers have received the bulk of the critical attention given to Irish literature contemporary women writers are among the most widely read Irish authors This reference overviews the lives and works of Irish women writers active in a range of periods and genres Included are roughly 75 alphabetically arranged entries written by more than 35 expert contributors Among the writers discussed are Elizabeth Bowen Mary Dorcey Lady Isabella Augusta Gregory Anne Hartigan Norah Hoult Paula Meehan Iris Murdoch Edna O'Brien Katharine Tynan Sheila Wingfield And many more Each entry includes a brief biography a discussion of major works and themes a review of the writer s critical reception and a list of works by and about the writer The volume closes with a selected general bibliography

The Gospel of John in the Sixteenth Century Craig Steven Farmer,1997 This book will be important to Reformation scholars especially in the English speaking world who have long needed an introduction to this little studied figure Historians of exegesis and New Testament scholars will also benefit from Farmer s penetrating analysis of the pre clinical exegetical tradition on the Johannine signs

The Routledge Handbook to the Ghost Story Scott Brewster,Luke Thurston,2017-11-14 The Handbook to the Ghost Story sets out to survey and significantly extend a new field of criticism which has been taking shape over recent years centring on the ghost story and bringing together a vast range of interpretive methods and theoretical perspectives The main task of the volume is to properly situate the genre within historical and contemporary literary cultures across the globe and to explore its significance within wider literary contexts as well as those of the supernatural The Handbook offers the most significant contribution to this new critical field to date assembling some of its leading scholars to examine the key contexts and issues required for understanding the emergence and development of the ghost story

Life Between the Tides Adam Nicolson,2025-08-22 Adam Nicolson explores the marine life inhabiting seashore rockpools with a scientist s curiosity and a poet s wonder in this beautifully illustrated book The sea is not made of water Creatures are its genes Look down as you crouch over the shallows and you will find a periwinkle or a prawn a claw displaying crab or a cluster of anemones ready to meet you No need for binoculars or special stalking skills go to the rocks and the living will say hello Inside each rock pool tucked into one of the infinite crevices of the tidal coastline lies a rippling silent unknowable universe Below the stillness of the surface course different currents of endless motion the ebb and flow of the tide the steady

forward propulsion of the passage of time and the tiny lifetimes of the rock pool s creatures all of which coalesce into the grand narrative of evolution In *Life Between the Tides* Adam Nicolson investigates one of the most revelatory habitats on earth Under his microscope we see a prawn s head become a medieval helmet and a group of winkles transform into a Dickensian social scene with mollusks munching on Stilton and glancing at their pocket watches Or rather is a winkle more like Achilles an ancient hero throwing himself toward death for the sake of glory For Nicolson who writes with scientific rigor and a poet s sense of wonder *The American Scholar* the world of the rock pools is infinite and as intricate as our own As Nicolson journeys between the tides both in the pools he builds along the coast of Scotland and through the timeline of scientific discovery he is accompanied by great thinkers no one can escape the pull of the sea We meet Virginia Woolf and her *Waves* a young T S Eliot peering into his own rock pool in Massachusetts even Nicolson s father in law a classical scholar who would hunt for amethysts along the shoreline his mind on Heraclitus and the other philosophers of ancient Greece And of course scientists populate the pages not only their discoveries but also their doubts and errors their moments of quiet observation and their thrilling realizations Everything is within the rock pools where you can look beyond your own reflection and find the miraculous an inch beneath your nose The soul wants to be wet Heraclitus said in Ephesus twenty five hundred years ago This marvelous book demonstrates why it is so Includes Color and Black and White Photographs
