Foreign Investment in Developing Countries H. Kehal, 2004-11-10 This volume examines foreign investment in developing countries both from a theoretical perspective and country specific perspective. It covers strategies to maximize the benefits that draw from the inward investment flow as well as examining foreign investment as a vehicle for international economic integration. The book focuses on foreign investment in the third and fourth largest economies of the world: the Peoples Republic of China and India, in addition to Indonesia, Malaysia and other countries.

Fresh Perspectives: Entrepreneurship ,2006 **Industry Research Using the Economic Census** Jennifer C. Boettcher, Leonard M. Gaines, 2004-08-30 Many business researchers from novice to expert have been amazed to find that the answers to their questions could be found in the Economic Censuses provided by the U S government. Until now there have been no comprehensive guides to this valuable resource. *Industry Research Using the Economic Census* explains Census concepts, methods, terminology and data sources in an understandable manner and assists Census users in locating needed Census data. Designed as a working handbook, it does not duplicate the data from the census but introduces users to the features, uses and formats of the data. This guidebook also discusses the important changes that the 1997 and 2002 Economic Censuses introduced from previous versions. Librarians, businesspeople, researchers, faculty and students will find this guide valuable for mining the riches found in the Economic Censuses.
