**Good Men** Jack Feuer,1997 How can a father help his child weather the emotional aftermath of divorce How can he make his kids feel at home even if they stay with him only a small percentage of the time Jack Feuer a divorced father himself offers hard won wisdom and practical information on how newly single dads can make good lives for themselves and their children Essential reading for good men everywhere *Family Psychology* William M. Pinsof,Jay L. Lebow,2005-09 Family Psychology The Art of the Science moves the field of family psychology toward greater scientific sophistication and excellence by bringing together some of the best researchers in family psychology and giving them the opportunity to reflect together on the state of their research This book is composed of five developmentally informed mini books or manuals on major areas of great social and health relevance marriage depression divorce and remarriage partner violence and families and physical health Each manual critically examines the existing research in its area systematically illuminating new directions for future research and discussing a wide range of relevant issues and diverse populations Family Psychology provides the next generation of theorists researchers and therapists with an in depth and fresh look at the paths that have already been traveled as well as the paths that remain to be explored Family Psychology is an indispensable companion for scientists and practitioners interested in a road map for family psychology The reflections of the top researchers in each area will sharpen the research knowledge and expertise of scientists and practitioners in these and related areas For younger and more experienced researchers as well as for those contemplating entering the field the authors point to pathways and strategies for unraveling the key challenges in each area offering well researched and compelling insights to guide future investigation **BOOK JACKET** **The Divorced Dads' Handbook** Steve Davies,2017-12-14 This book provides practical hard to find help to fathers who are separated from their kids It covers various relevant areas from legal and financial to emotional and recreational This work is delivered in a down to earth and accessible style Contents 1 Separation 2 Seeing your kids the first few months 3 Contact arrangements 4 Court orders dealing with family courts 5 Mediation services 6 Your financial responsibility to your children 7 Ongoing parenting become a great dad 8 Building your own support network 9 Paternity issues 10 Parent Alienation Syndrome Useful contacts Index **Stepparenting** Resource Pathways, Inc,2000-03 This unique guidebook identifies and evaluates resources that will help stepparents understand and better respond to the important issues that arise when families combine **Tug of War** Harvey Brownstone,2009 Explaining complex family law concepts and procedures in a jargon free style this resource includes detailed information on how family court works offers easily understandable case examples and describes alternatives to litigation that are designed to help prevent families with children from entering the legal system to resolve disputes Exploring subjects that apply to all parties involved in resolving separation divorce and custody conflicts judges lawyers mediators parenting coaches psychologists family counselors and social workers this reference demystifies the role of lawyers and judges debunks the myth that parents can represent

themselves in court and examines each parent's responsibility to ensure that post separation conflicts are resolved with minimal emotional stress to children Forthcoming Books Rose Arny,1999 **The Long-Distance Dad** Steven Ashley,2008-01-01 You can't always be there physically for your children but that doesn't mean you can't be a good dad Steven Ashley founder of the Divorced Fathers Network shows you how to remain an important part of your child's life no matter how far apart you are Whether you're divorced constantly traveling for work or deployed overseas The Long Distance Dad can help This practical handbook addresses all the inherent problems of long distance parenting and teaches you how to Use technology to stay in touch Establish relationships with teachers coaches and counselors Take an active role in homework school projects and outside activities Make the most of vacations and holidays And much more You may not be with your children But you can be there for your children Let The Long Distance Dad help you be the great father you were meant to be *Handbook of Social Work Practice with Vulnerable and Resilient Populations* Alex Gitterman,2001 Role in forming balanced assessments **The Single Dad Detour** Tez Brooks,2015-02-05 Conventional wisdom holds that fathers have few parenting skills and that mothers always know best The single father is often considered a mythical creature found only in sitcoms as an object of humor or pity Where does that leave real single dads Too often it makes them susceptible to overcompensation or apathy Tez Brooks knows those feelings all too well He's traveled that road with his own children after an unexpected divorce The Single Dad Detour is the result of his journey and the lessons he's learned along the way It's a guidebook for the rocky road of single fatherhood extending encouragement confidence and challenges using specific examples from dads who've survived parenting and have hope to offer There are no unreachable requirements for perfect fatherhood here and no twisty theological mysteries just authentic down-to-earth wisdom from one dad to another **The Single Father: A Dad's Guide to Parenting Without a Partner** Armin A. Brott,1999-04-28 A new guide to fatherhood from Armin A Brott the author of The Expectant Father on dealing with the unique difficulties of parenting alone In this ground breaking volume author Armin Brott gives single dads the knowledge skills and support they need to become and remain actively involved fathers With the same thoroughness accessibility and humor that have made the books in his critically acclaimed New Father series the best and most popular fatherhood guides in the country Brott steers divorced separated gay widowed and never married men through every aspect of fathering without a partner Incorporating the advice of top psychologists lawyers and other experts The Single Father offers a wealth of essential information and practical tips Illustrated with cartoons that underscore the challenges and yes even the satisfactions of single parenting and complete with an extensive list of resources for divorced widowed and gay dads The Single Father is one book no single dad can afford to do without American Book Publishing Record ,2000 The Complete Idiot's Guide to Fatherhood Kevin Osborn,1999-10-01 You're no idiot of course You know that life isn't like an old sitcom when TV dads like Mike Brady or Ward Cleaver always had just the right answer for Greg Marcia or the Beaver But when it comes to earning the title World's Greatest Dad you feel

like you're always going to be more like the father from *Married with Children* than the one from *Father Knows Best*. Don't retire your cardigan just yet. *The Complete Idiot's Guide to Fatherhood* answers all the questions any expecting new or veteran father could have on topics ranging from communication and ground rules to privileges and punishment. **Marriage, Divorce, and Remarriage** Katherine P.H. Young, Anita Y.L. Fok, 2005-05-01 Although the ideal of companionate marriage has gradually been established in Hong Kong demographic trends from the 1980s reflect greater marital and family instability. In the years to come adult fulfilment is likely to be found in various ways through marriage, divorce, remarriage or the single state. Each of these has its own potentials, tensions and prospects for growth and development. Each offers different though viable life styles through which people can develop in adulthood. These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will continue to serve as the relational context of adult living. This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship from diverse parenting, forgiveness, coping with childhood abuse, infidelity, disenchantment and distancing to uncoupling in divorce and recoupling in remarriage. Each chapter addresses aspects of these issues with a focus on the recovery, reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances.

**The Encyclopaedia Britannica: Pay to Read**, 1911 *The Encyclopædia Britannica* Hugh Chisholm, 1911 [Book Review Digest](#), 1919 [Analysing American Advice Books for Single Mothers Raising Sons](#) Berit Åström, 2023-02-07 Although single fathers as primary caregivers are on the rise, most single parent households in the US are headed by women. These women are a lucrative market for parenting books, and most of these books are aimed at single mothers raising sons. This intersectional study analyses the way in which these advice books draw on mother-blame language, misconceptions of neuropsychological research and traditional conceptualisations of masculinity and femininity to convince the mother readers that they are unable to raise a son to be a man. The study further connects the advice books to a cultural backlash against ideas of involved fatherhood and caring masculinity, exploring how the authors argue for a return to traditional family structures.

[Encyclopedia Britannica](#) Hugh Chisholm, 1911 [Angry White Men](#) Michael Kimmel, 2017-04-25 One of the headlines of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape. On election night four years later, when Donald Trump was announced the winner, it became clear that the white American male voter is alive and well and angry as hell. Sociologist Michael Kimmel, one of the leading writers on men and masculinity in the world today, has spent hundreds of hours in the company of America's angry white men, from white supremacists to men's rights activists to young students. In *Angry White Men* he presents a comprehensive diagnosis of their fears, anxieties and rage. Kimmel locates this increase in anger in the seismic economic, social and political shifts that have so transformed the American landscape. Downward mobility, increased racial and gender inequality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling

betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them Angry White Men discusses among others the sons of small town America scarred by underemployment and wage stagnation When America s white men feel they ve lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they re all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The election of Donald Trump proved that angry white men can still change the course of history Here Kimmel argues that they should walk openly and honorably alongside those they ve spent so long trying to exclude in order to be happier and healthier
