Eyes On The Lord View Of Contemplative:

Eyes on the Lord Duncan Basil,1994 *Prayer in Nursing* Mary Elizabeth O'Brien,2003 *Prayer in Nursing The Spirituality of Compassionate Caregiving* examines the role of prayer in the life of a nurse from a variety of perspectives including the history of prayer in nursing the importance of prayer in contemporary caregiving caring nurse patient relationships and the connection between prayer and a healing ministry To encourage the practice of prayer each chapter begins with a meditation and ends with a prayer reflective of a nurse s spirituality *The Feminine Genius of Catholic Theology* Matthew Levering,2012-07-26 This book introduces Catholic doctrine through the crucible of the women mystics reception of the gospel The work of the great women theologians of the Church s second millennium has too often been neglected or relegated to the category of mysticism in textbooks on Catholic doctrine This is a shame because their work shows the interior conjunction of liturgical experience broadly understood scriptural exegesis philosophical reflection and doctrinal creedal formulation Drawing on their work this book presents the tenets of Catholic faith in a clear and accessible manner useful for introductory courses as well as for students and scholars interested in the contributions of women to Catholic theology Women theologians in this book include Catherine of Siena Theresa of Avila Therese of Lisieux Simone Weil and others *Contemplation and Counseling* P. Gregg Blanton,2019-04-02 Can contemplative prayer be integrated into therapeutic work Building an alliance between science theology and Christian contemplative thought Gregg Blanton presents a new paradigm for integrating contemplative prayer with counseling practice This practical resource offers eleven fundamental interventions to fit the needs of clients and a practical four stage process for helping clients change

Contemplation David Allen, M.D.,David F. Allen,2004-04 Body mind spirit family and relationships medical psychology religion self help **Christian Growth Through Contemplation** Todd Mund,2003-03-27 Like many people Todd lived his life questioning the meaning of God and why he was not close to God As he searched he found the practice of Christian contemplation Used by Jesus and other Christian patriarchs this had to be the answer After a short period of practice Todd could begin to see subtle changes in himself and in his life The anxiety resentment and worry that were so prevalent in his life began to disappear Entering his life were the two things that he had always searched for calm and serenity As his practice continued he began to feel immense changes and had several epiphanies of the presence of God As these awakenings continued the teachings of Jesus came to have a deeper meaning and understanding than ever before *Christian Growth Through Contemplation* is a fresh insightful and illuminating book that describes the contemplative process and the truth of the Christian teachings It is a must read for every Christian Whether you are content in the Christian faith or have drifted away from the church this book will help you grow closer to God than you could ever imagine and live a happy and fulfilling life **The biblical illustrator: or, Anecdotes [&c.] on the verses of the Bible, by J.S. Exell** Joseph Samuel Exell,1886 **Heaven Opens** Matthew Lewis Sutton,2014 Adrienne von Speyr was one of the most important mystical

theologians of the last century However her work has been eclipsed in many ways by her personal connection to Hans Urs von Balthasar Heaven Opens provides one of the first comprehensive accounts of von Speyrs theology Matthew Lewis Sutton argues that the eternal immanent relations of the Triune God ground the mystical theological vision of von Speyr Here von Speyrs work is for the first time given an independent hearing expositing its content features and connections and assessing its contribution to contemporary Catholic theology

The Spiritual Guide of Miguel Molinos Miguel de Molinos, 2006-01-22 This is a beautiful hard bound book The Inquisition ordered this book to the Church s Index Expurgatorius and Molinos was condemned to life imprisonment for writing about a personal relationship with God through intense devotion internal reflection and meditation After all what would happen to the Church if the people didn t feel they needed it anymore A table of content was added in front of this edition rather than at the end like the original Additionally we have prominently displayed the chapter on top of each page to make the text easier to navigate We have resisted the temptation to English the text preferring instead to maintain historical accuracy which the Old English affords scholars Whether your interest is in Scientific Illuminism comparative religion religious history or simple curiosity we know that our edition of this important work will make a lasting impression upon you This book is hard bound and designed to last for many years

Embracing Contemplation John H. Coe, Kyle C. Strobel, 2019-02-26 What does a Christian life lived by the Spirit look like Bringing together Protestant scholars and practitioners of spiritual formation this volume offers a distinctly evangelical consideration of the benefits of contemplation Drawing on historical examples from the church including John Calvin Richard Baxter Jonathan Edwards and John Wesley this book considers how contemplative prayer can shape Christian living today

Coleridge and Contemplation Peter Cheyne, 2017 Coleridge and Contemplation is a multi disciplinary volume on Samuel Taylor Coleridge founding poet of British Romanticism critic and author of philosophical political and theological works In his philosophical writings Coleridge increasingly developed his thinking about imagination a symbolizing precursor to contemplation to a theory of contemplation itself which for him occurs in its purest form as a manifestation of Reason Coleridge is a particularly challenging figure because he was a thinker in process and something of an omnimath a Renaissance man of the Romantic era The dynamic quality of his thinking the dark fluxion pursued but ultimately unfixable by thought and his extensive range of interests make essential an approach that is philosophical yet also multi disciplinary This is the first collection to be written mainly by philosophers and intellectual historians on Coleridge s mature philosophy With a foreword by Baroness Mary Warnock and original essays by prominent philosophers such as Roger Scruton David E Cooper Michael McGhee and Andy Hamilton this volume provides a stimulating collection of insights and explorations into what Britain s foremost philosopher poet had to say about the contemplation that he considered to be the highest of the human mental powers The chapters by philosophers are supported by new developments in philosophically minded criticism from Coleridge scholars in English departments including Jim Mays Kathleen Wheeler and James Engell They approach

Coleridge as an energetic yet contemplative thinker concerned with the intuition of ideas and the processes of cultivation in self and society Other chapters from intellectual historians and theologians clarify the historical background and religious musings of Coleridge s thought regarding contemplation *Contemplative Disciplines in Sufism* Mir Valiuddin,1980 **The Heart of the Matter** Arthur Green,2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God s presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism s biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green s own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green s scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim that they are all of a piece They represent one man s attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question What does it mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher s description *The Spiritual Guide* Miguel de Molinos,1688 [Finding God in All Things](#) Brian Grogan,2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions *Demonic Bodies and the Dark Ecologies of Early Christian Culture* Travis W. Proctor,2022 *Demonic Bodies and the Dark Ecologies of Early Christian Culture* analyzes how ancient Christians constructed the Christian body through its relations to demonic adversaries through case studies of New Testament texts Gnostic treatises and early Christian church fathers e g Ignatius of Antioch Clement of Alexandria and Tertullian of Carthage This study demonstrates that the formation of early Christian cultures was part of the shaping of broader Christian ecosystems where nonhuman entities like demons played important roles in configuring Christians experience of their bodies and surrounding environments *Introductory Papers on Dante* Dorothy L. Sayers,2006-01-01 *Introducing the Dante Papers Trilogy* *Introductory Papers on Dante* *Further Papers on Dante* *The Poetry of Search and the Poetry of Statement* This introductory volume of essays on Dante by Dr Dorothy L Sayers will be eagerly sought by the many thousands of readers who already know her vigorous and vivid translation of the *Inferno* As those who have heard Miss Sayer s lectures on Dante can testify she brings to the interpretation of the *Divine Comedy* a vitalizing power of analysis and re creation Readers of Dante often become discouraged by the mass of factual detail which the older school of historical criticism has made available mere

aestheticism however unrelated to the time and space is nor likely to satisfy them either They will find in Miss Sayers essays enough scholarly assistance to put themselves in the position of a contemporary reader but their attention will chiefly be drawn to the relevance of the Divine Comedy to our present day world and way of life Miss Sayers emphasis on the ethical rather than on the aesthetic or historical significance of Dante s work comes as a welcome and bracing challenge to the confusion regarding values whether of literature or of life which characterizes the present age *The Invention of the Self*

Andrew Spira,2020-06-25 This book is an examination of personal identity exploring both who we think we are and how we construct the sense of ourselves through art It proposes that the notion of personal identity is a psycho social construction that has evolved over many centuries While this idea has been widely discussed in recent years Andrew Spira approaches it from a completely new point of view Rather than relying on the thinking subject s attempts to identify itself consciously and verbally it focuses on the traces that the self sense has unconsciously left in the fabric of its environment in the form of non verbal cultural conventions Covering a millennium of western European cultural history it amounts to an anthropology of personal identity in the West Following a broadly chronological path Spira traces the self sense from its emergence from the collectivity of the medieval Church to its consummation in the individualistic concept of artistic genius in the nineteenth century In doing so it aims to bridge a gap that exists between cultural history and philosophy Regarding cultural history especially art history it elicits significances from its material that have been thoroughly overlooked Regarding philosophy it highlights the crucial role that material culture plays in the formation of philosophical ideas It argues that the sense of personal self is as much revealed by cultural conventions and as a cultural convention as it is observable to the mind as an object of philosophical enquiry **Engaging Ethically in a Strange New World** Michael Brautigam,Gillian

Asquith,2019-07-11 Christians in Australia are facing serious ethical issues Contentious topics such as same sex marriage the assisted dying bill gender fluidity and attempts to censor Jesus talk in the schoolyard present serious challenges and require us to think more deeply about how we are to live in a strange new world This volume presents papers from the 2018 Paradosis Conference at Melbourne School of Theology and brings together a number of voices to explore doctrinal foundations and their practical outworkings in the fields of biblical studies systematic and practical theology Islamic studies and medical ethics Contributors examine questions of contemporary interest as they pertain to both the Christian community itself and to Christian engagement with wider society Part 1 comprises papers examining ethics in the Old Testament wisdom books decision making according to an early church model the theological history of ethics and the pastoral implications of Jonathan Edwards s reflections on beauty Part 2 investigates the ramifications for Christian social ethics of the paradox of Jesus s stringent moral commands and his inclusive lifestyle Islam s approach to homosexuality virtue ethics as an alternative narrative within the assisted dying debate and the role of docility as a virtue in teaching pastoral theology and mission
