

## **FILE 10 FRI WEEK 9**

### **READING: BOSSES PREFER AUSSIE CULTURE OVER SKILLS**

By Louise Williams from Sydney Morning Herald (6/10/92)

1 Australian companies routinely appoint Australian-born applicants over highly trained  
2 migrants because they fear cultural difficulties in the workplace, a new study has  
3 found. "There is an entrenched preference... which may not be overtly racist but is  
4 covertly discriminatory," the study says.

5 The study, Minimising Diversity, is the first major assessment of the attitudes of  
6 Australian employers to overseas-trained professionals. It involved an extensive  
7 survey of 55 private and government organizations.

8 Its author, Ms Robyn Iredale, is a research fellow at the Centre for Multicultural  
9 Studies at the University of Wollongong. She found that Australian employers  
10 preferred the safe option of hiring graduates born and trained in Australia; despite  
11 the potential business advantages of international experience and language skills that  
12 migrant professionals could bring to the job.

13 In some cases she found migrant professionals were screened out of the selection  
14 process as early as the first telephone call, by secretaries instructed not to take details of  
15 applicants with accented English. The negative stereotypes included that the physical size  
16 of some Asians was a factor in their unsuitability for positions of authority, that South  
17 Africans and Indians were too authoritative for positions of power and the Turkish and  
18 Polish migrants were difficult to integrate because of their 'hot-headedness'. "What struck  
19 me most was that Australian employers had not even considered the advantages of  
20 overseas-trained professionals," Ms Iredale said. Only one of the 55 organisations had  
21 considered migrant professionals in terms of advantages, such as international business  
22 links, rather than problems, such as cultural differences and lack of local experience.

23 The survey showed that recruitment methods of mining, construction and engineering  
24 companies "virtually closed" the firms to overseas-qualified applicants living in  
25 Australia. These industries relied heavily on recruiting at Australian universities,  
26 informal, methods such as word-of-mouth involving local and family ties and a
