When Ads Work David M Jones, 2015-03-26 The accepted wisdom in advertising is that ad campaigns are good for building brand recognition and good

will but not for immediate sales impact When Ads Work argues the opposite that well planned and well executed advertising campaigns can and should have an immediate impact on sales Featuring numerous examples from recent ad campaigns the new edition of this popular book is a model for any successful advertising research program With a device he calls STAS Short Term Advertising Strength a measure of the immediate effect of advertising on sales the author demonstrates that the strongest ad campaigns can triple sales while the weakest campaigns can actually cause sales to fall by more than 50 percent He exposes sales promotions as wasteful especially when they are unsupported by advertising and also demonstrates the strong synergy that can operate between advertising and promotion when they are planned and executed in an integrated fashion When Ads Work offers eye opening research and practical information that no one who studies advertising or spends advertising dollars can afford to ignore

We Are What We Sell Danielle Sarver Coombs,Bob Batchelor,2014-01-15 For the last 150 years advertising has created a consumer culture in the United States shaping every facet of American life from what we eat and drink to the clothes we wear and the cars we drive In the United States advertising has carved out an essential place in American culture and advertising messages undoubtedly play a significant role in determining how people interpret the world around them This three volume set examines the myriad ways that advertising has influenced many aspects of 20th century American society such as popular culture politics and the economy Advertising not only played a critical role in selling goods to an eager public but it also served to establish the now world renowned consumer culture of our country and fuel the notion of the American dream The collection spotlights the most important advertising campaigns brands and companies in American history from the late 1800s to modern day Each fact driven essay provides insight and in depth analysis that general readers will find fascinating as well as historical details and contextual nuance students and researchers will greatly appreciate These volumes demonstrate why advertising is absolutely necessary not only for companies behind the messaging but also in defining what it means to be an American
