Exposition Of James Epistles Of John Peter And Jude:

New Testament commentary. Exposition of James, Epistles of John, Peter, and Jude Simon J. Kistemaker, 2002

New Testament Commentary: James, Epistles of John, Peter and Jude [12] Revelation William Hendriksen, 1953

Exposition of James, Epistles of John, Peter, and Jude Simon J. Kistemaker, 1996 Begun by William Hendriksen

Baker's New Testament Commentary has earned the acclaim and respect of Reformed and evangelical scholars and pastors. Since Hendriksen's death in 1982, the series has been continued by Simon J. Kistemaker. Four of the volumes compiled by Kistemaker earned the Gold Medallion Award: Hebrews, James, and 1-3 John, Acts, and 1 Corinthians. The series was completed in 2001 with the publication of Revelation. This award-winning series from Baker Academic is currently the only available commentary from a Reformed perspective that covers the entire New Testament. *James, 1-2 Peter, 1-3 John, Jude* Gerald L. Bray, Thomas C. Oden, 2014-02-19. Because the Catholic Epistles focus on orthodox faith and morals, the Fathers drew on them as a means of defense against the rising challenge of heretics and as a manual for spiritual warfare. This ACCS volume opens up a treasure house of ancient wisdom that allows these faithful witnesses to speak with eloquence and intellectual acumen to the church today. **A Structural Commentary on the So-Called Antilegomena** Kalina

Wojciechowska, Mariusz Rosik, 2024-06-17. The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation. Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction: a positive attitude signifying salvation and a negative attitude signifying annihilation. This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching. Part 1 of the commentary, 2 Pet 1:2, focuses on the misinterpretation of this teaching by false teachers and their followers. Their eschatological scepticism is ridiculed and their grim fate described. As the starting point for this description and Peter's whole line of argumentation, 2 Pet 2:3b is taken. The thesis is that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed. Part 2 of the commentary, 2 Pet 3, focuses on the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics. This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events. In explaining the principles of his hermeneutic, the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition. The starting point of Peter's line of argumentation was taken to be 2 Pet 3:5-7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgment. This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary, 2 Pet 1:2. The Epistle General of James John Peter Lange, J. J. Van

Oosterzee, 2007-05-01. Presented here in paperback for the first time is John Peter Lange's *Theologisch-homiletisches Bibelwerk*. Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic.

This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect.

Biblical Exegesis of New Testament Greek: James W. Craig Price, 2008-08-15. Biblical Exegesis of New Testament Greek: James is a workbook designed to guide the beginning to intermediate Greek student through the process of biblical exegesis of the text of James. The workbook leads the student through a comprehensive process of grammar review, translation, exegesis, and application of the Greek text. It is based on a deductive pedagogy for learning Greek but follows an inductive approach to grammar review. Students review grammatical, morphological, and syntactical issues arising in the text of James. The inductive grammar review references Gerald L. Stevens's New Testament Greek Primer as a companion grammar. Analysis of syntactical and exegetical information is presented from major lexicons, critical commentaries, and Greek grammars. Detailed footnotes conveniently present this valuable material. Key questions probe crucial exegetical and

theological issues Special vocabulary aids minimize lexical work enabling students to focus on exegesis An optional textual criticism section is offered for intermediate students Each lesson concludes with a practical application for ministry Students are required to phrase a portion of the Greek text They then construct a sermon or teaching outline based upon the phrasing exercise Upon completing this book students will have fifteen biblically based outlines from the Greek text for preaching or teaching purposes Biblical Exegesis of New Testament Greek James encourages students and pastors to sharpen their Greek skills and to use their Greek New Testaments in ministry from translation to proclamation

Hebrews, the General Letters, and Revelation Charles B. Puskas, 2016-10-28

Most New Testament NT introductions, because of page limitations and other reasons, tend to minimize their treatment of the last nine books of the Christian Bible, from Hebrews to Revelation. The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect them with only a brief survey. The treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church, despite its slow canonical recognition and authorship issues. Nevertheless, these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: When and why was each book written? By whom and to whom was each book written? What are some special features of each book? How soon or late was each book included in the NT collection? Answers to many of these questions are tentative. The assured results of scholarship are in continual need of reevaluation. Since the 1980s, a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.
