Catastrophobia Barbara Hand Clow, 2001-05-01 Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us The long awaited follow up that continues the revelations begun in The Pleiadian Agenda which has sold more than 60 000 copies Explains why contrary to many prophets of doom we are actually on the cusp of an era of incredible creative growth The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the mythic catastrophes of history the fall of Atlantis the Biblical Flood were actual events In Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters caused by a massive disturbance in the Earth's crust 11 500 years ago rocked the world

and left humanity's collective psyche permanently scarred. We are a wounded species and this unprocessed fear passed from generation to generation is responsible for our constant expectations of apocalypse from Y2K to the famed end of the Mayan calendar in 2012. Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for thousands of years. But we are in the midst of a tremendous shift in the Earth's 26 000 year precessional cycle and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand.

Astrology and the Rising of Kundalini Barbara Hand Clow, 2013-09-02 Revised and updated edition of the classic astrology text on predicting and navigating life crises. Provides charts for the transits of Saturn, Uranus and Chiron now updated through 2050 to predict your personal growth cycles and timing of kundalini rising. Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages. Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication. No astrological chart needed to use this book. In this updated edition of *Liquid Light of Sex*, renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s and 50s and the key astrological passages of Saturn, Uranus and Chiron in your birth chart. She explains how kundalini energy, the liquid light of sex that lies at the base of the spine, is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency and in many cases a cascade of health, emotional and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts now updated through 2050 for those born between 1930 and 2000, detailing the cycles of Saturn, Uranus and Chiron so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras and integrate the power of kundalini for physical, emotional and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.
