God Created Man In Gods Image And Man Created God In Mans Image:

God Created Man in God's Image and Man Created God in Man's Image Andreas Zachariou,2004-05-01 In *God Created Man in God s Image and Man Created God in Man s Image* the author describes the way people feeling too weak to deal with their life s circumstances turn to God hoping that He will solve their problems In their effort to get God s attention they treat him like a father attributing to Him human like characteristics In that sense they create a God in their own manly image People who practice the above believe that God is behind everything that happens and so they sit back and watch When they are not too busy praying to God to adjust His actions in their favor they take their own action which they like to present as a continuation or completion of the actions of God

Enjoying the Riches of Christ for the Building Up of the Church as the Body of Christ Witness Lee, 2000-04

Human Dignity, Judicial Reasoning, and the Law Brett G. Scharffs, Andrea Pin, Dmytro Vovk, 2024-05-28 This volume explores how national and international human rights courts interpret and apply human dignity The book tracks the increasing deployment of the concept of human dignity within courts in recent decades It identifies how human dignity based arguments have expanded to cover larger sets of cases from the right to life or the right to integrity or anti discrimination the concept has surfaced in disputes about political and social rights and rule of law requirements such as equality or legal certainty The core message of the book is that judges understand interpret and apply human dignity differently An inflation in the judicial recourse to human dignity can saturate the legal environment depriving the concepts as well as human rights based narratives of salience and threaten the predictability of court decisions The book will appeal to philosophers of law constitutional theorists and lawyers legal comparativists and international law specialists While being dedicated specifically to human dignity jurisprudence the book touches on many aspects of judiciary and as such

will also be of interest to researchers studying legal reasoning interpretation and application of the law and courts as well as social philosophers political scientists and sociologists of law politics and religion *The Mystery of Jesus Christ* Fernando Ocariz Braña, Fernando Ocariz, Lucas F. Kleinig, 2021-08-25 Why do we have bodies When it comes to thinking about our bodies confusion reigns In our secular age there has been a loss of the body's goodness purpose and end Many people driven by shame and idolatry abuse their body through self harm or self improvement How can we renew our understanding and see our bodies the way God does In *Wonderfully Made* John Kleinig forms a properly biblical theology of our bodies Through his keen sensitivity to Scripture's witness Kleinig explains why bodies matter While sin has corrupted our bodies and how we think of them God's creation is still good Thus our bodies are good gifts The Son took on a body to redeem our bodies Kleinig addresses issues like shame chastity desire gender dysphoria and more by integrating them into the biblical vision of creation Readers of *Wonderfully Made* will not only be equipped to engage in current issues they will gain a robust theology of the body and better appreciation of God's very good creation The Central Line of the Divine Revelation Witness Lee, 1995-12 **The Imitation of Paul** Willis P. DeBoer, 2016-03-23 All of Christendom has heard of the imitation of Christ Few within Christendom have heard much of the imitation of Paul Perhaps there is nothing extraordinary about such a state of affairs After all Christ fills a far more significant role in Christianity than the Apostle Paul does And yet when one looks at the matter purely statistically it is striking to find that the thought of the imitation of Paul comes to literal expression in the New Testament five times while the thought of the imitation of Christ is found literally expressed only twice From the Introduction **Biblical Doctrine** John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master's Seminary Doctrine isn't just for theologians it's important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur's well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why *Evangelical Bible Doctrine* Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students

and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come

Genocide Prophecy Dr. Brian Haack, 2023-05-05 What if modern bureaucrats led our country toward a genocidal end which rivaled history's most wicked regimes What if Christians helped them do it And what does any of this have to do with autism This book demonstrates how U S policy and social evolution has followed a trajectory eerily like the one which seated the Nazis and how Germany's most notorious human rights abuses began with violating the human rights of children with disabilities like autism Evidence suggests that Germany's Christians unwittingly contributed to their catastrophic outcomes by remaining silent when speaking out might have made a difference Today we see a growing trend of abuse against vulnerable people in the USA and like Germany's Christians we are not speaking out It seems that without intelligent Christian opposition the creep toward genocide in the USA has begun We are now seeing the first indications of a genocidal tyranny which infected Germany now appearing in the USA It could soon grow up to overshadow the world's memory of Nazi Germany but there is hope This book offers biblically sound research based evidence which intelligently refutes popular anti biblical views on history philosophy and science It also offers new possibilities for the discovery and defeat of prejudicial attitudes that have divided human populations for centuries In these pages the reader will find renewed confidence in the reliability of the scriptures while discovering the Bible's relevance to topics like genetics and DNA the origins of human life and the seat of human rights Finally the reader will understand why these Christian perspectives matter to all people everywhere regardless of their personal religious inclinations
