God Hates Religion Christopher Levan,1995-01-01 *Faithful Finances 101* Gary Moore,2005-05 Strips the veneer from the financial advice of some popular evangelical media celebrities and advocates a reintegrating of faith and finances Moore draws on fifty years of studying the Bible politics and economics and presents insights for those who want to be faithful in their finances *Congregations at the Crossroads* Ronald E. Vallet,2006-08-11 The most vital question confronting the church in North America at the turn of the century is whether it can in the face of the myriad distractions of modern society remember who it is what it is called to do and especially whose it is In this volume Ronald Vallet explores the biblical basis for stewardship with major emphasis on God s promises and commands to help congregations become the households of God that he intends them to be Vallet also discusses several church related issues that affect the life and practices of congregations today He deals with fantasies and fears about money in the congregation shows the central role that authentic worship plays in focusing congregations on God examines the proper roles of pastors and laity and considers the prevailing concepts and practices of modern culture that can entangle today s churches Vallet s work provides an insightful map for churches as they confront the confusing crossroads of life in our world *Virtue as Consent to Being* Phil Zylla,2010-12-01 Virtue theory has become an important development in Christian ethics Efforts are made in this volume to bring pastoral theology into conversation with these developments This book probes the philosophical theology of Jonathan Edwards who proposed that virtue is a form of beauty defined as consent to being This leads to the notion of compassion as ontological consent Since language is the vehicle by which our experiences are conveyed the book probes the issue of how moral vision is expressed in experience near language through parable poem and lament Moral vision is articulated most adequately through such language and finding it is a kind of quest The last chapter is a proposal for a mature pastoral theology of virtue as an expansion of Edwards s concept of consent to being from the vantage point of pastoral theology A dynamic vision of virtue requires some connection between the experience of suffering and the inward striving toward the greatest good The essence of virtue can be best understood from a pastoral theological perspective as the relational dynamic of suffering with another human being *The Newer Deal* Ram A. Cnaan,Robert J. Wineburg,Stephanie C. Boddie,1999 Cnaan calls upon religious based organizations and the social work social service community to put aside their differences and forge a limited partnership focusing on joint care for those in need with attention to services for people of color gays and lesbians women and programs for community empowerment and economic development **Jacob's Blessing** Donna Sinclair,Christopher White,1999 An alternative to the remnant and mega church model Authors Sinclair and White combine their ministerial and journalistic strengths to write with honesty and hope about the future of the church Study Guide included **Canadian Book Review Annual** ,1995 *Slavery Defended from Scripture, Against the Attacks of the Abolitionists* Alexander M'Caine,1842 *My Hardcover Book* Kingsworth Bolade,2017-08-02 Understanding SPIRITUAL DIMENSIONS is a divinely

inspired book with deep insights into the unseen realities around us every day It is a spiritual journey into other unseen realms and spheres of existence It is an empowerment from God to adequately equip and properly navigate your spirit soul and body from the dimension of Time into the dimensions of Eternity This is the most needed revelation of our time The bible remains the most accurate book on this subject matter This book will re enforce and open the eyes of your understanding to the missing pieces about your past present and future Supernatural intelligence is far beyond our comprehension

W.C.Wilson William Carus Wilson,1846 **Major Cults and False World Religions** Steve Urick,2011-03 Cults and false religions are dangerous They preach a false gospel and lead people into a false spirituality Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain Major Cults and False World Religions reveals several key characteristics that make them unbiblical It also exposes several major false cults and religions that have the majority of the world s population deceived and headed for Hell This book is the result of thirty one years of evangelism work studying comparative religions and apologetic research and debate It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks Anti-Bible Theories Will Destroy Human Civilization - Proof Dr George Joseph

k PhD,2020-06-15 The book clearly proves that the anti Bible theories of any kind will ultimately lead to destruction families societies nations and the world The nations which have banned Bible and humiliated Christians are right witnessing the destruction of their families and societies around the world The anti Bible theories have infiltrated the societies through modern liberal theology masquerading in the Churches and Bible colleges around the world It rejects the authority of the Bible It rejects the revelation inspiration inerrancy and infallibility of the Bible It is against the God of the Bible It rejects the deity of Jesus and personality of the Holy Spirit It denies the existence of devil and sin It denies the sin of man It denies the existence of absolute moral values It has anti biblical views about the salvation of man and eschatology In short the views of Modern liberal theology are very close to views of the enemies of Christianity and the enemies use them to attack Christianity The disillusionment created by modern liberal theology within the Church is responsible for the weakening of the Church and revival of Islam and Hinduism and New Age movements around the world in modern times There is a SUBTLE CONSPIRACY against Jesus Christ His gospel and His values Destruction of Biblical theology will lead to the destruction of basic human values and thereby lead to the collapse and demise of human society **Canadian Books in Print 2002**
