

An abstract painting featuring a central figure, possibly a Native American, rendered in dark, earthy tones. The figure is surrounded by vibrant, textured brushstrokes in shades of yellow, orange, and red, suggesting a landscape or a spiritual realm. The background is a mix of blue and green hues. The overall style is expressive and modern.

A Naturalistic Afterlife David Harmon, 2017-08-01 This book provides a fresh look at one of the most enduring absorbing and universal questions human beings face What happens to us after we die In secular thought the standard answer is simple we disappear into oblivion David Harmon takes us in a different direction by making the case that a nonconscious portion of our personality survives death literally not figuratively and explains how this kind of naturalistic afterlife can be emotionally relevant to us while we are still living Combining insights from the arts history philosophy and science a compelling argument takes shape for an afterlife without God

*Love and Politics* Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value

However this account cannot address alienation in the form of the oppression of women or people of color. Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life. Alienation must be seen as a separation of the human from nature. Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros, Love and Politics. Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism, Frankfurt School Critical Theory and Social Reproduction Theory. It will be of great interest to political theorists and philosophers.

The SAGE Encyclopedia of Economics and Society Frederick F. Wherry, Juliet B. Schor, Consulting Editor, 2015-09-01. Economics is the nexus and engine that runs society affecting societal well being, raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly. Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world. From a household budget to international trade, economics ranges from the micro to the macro level. It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses. Although there are encyclopedias of covering economics, especially classic economic theory and history, the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world, contemporary issues and society. Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions. Organized A to Z with a thematic Reader's Guide in the front matter, groups related entries. Articles conclude with References, Future Readings to guide students to the next step on their research journeys. Cross references between and among articles combine with a thorough Index and the Reader's Guide to enhance search and browse in the electronic version. Pedagogical elements include a Chronology of Economics and Society, Resource Guide and Glossary. This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens.

THE FANTASY OF FAITH Rogene A. Buchholz, 2023-08-16. In a nutshell, Christianity is one of the greatest if not the greatest hoax ever perpetuated on people in the history of the universe. It is practically all fantasy of one sort or another that millions of people believe in all over the world and have done so for many centuries since Christianity began. It all could have been made up out of whole cloth. The Old Testament cannot be taken at face value as the creation story was most likely borrowed from other sources and adapted to fit with the author's purpose of explaining how the world began. The Exodus may be entirely fiction and most certainly did not happen the way it is described in the Bible. As far as the New Testament is concerned, it was written decades after the crucifixion of Jesus by people who were not eyewitnesses to the events they described. There may have been a prophet whose teachings drew many followers but there was certainly no virgin birth, no miracles and no resurrection. The purpose of all the apocalyptic writing and second

coming of Christ may have been motivated by the oppression of the Roman Empire where the Jewish people felt powerless and needed to believe in something that would provide them with a feeling that in the final analysis justice would be done and they would get their revenge Thus Christianity needs to be exposed for the fraud that it is which is what this book attempts to do by looking at the history of Christianity Biblical scholarship and other aspects of Christianity along with its alternatives

**The Impact of Immigration on Children's Development** Cynthia T. García Coll, 2012 Explores the impact of immigration in a global context All over the world families migrate and with them so do their children Probing the question of what being an immigrant means this publication brings together theory and empirical findings to highlight the impact of immigration on child development in a global context Discussed is the impact of these processes on children and adolescents in a variety of different countries and social contexts to determine both universal and culturally specific aspects of the experience of immigration as it becomes a pervasive reality of the modern world This publication is appropriate for anyone who is interested in the process of migration immigration and how it affects human development Both students and scholars as well as real world practitioners and policy makers in education psychology sociology anthropology ethnic and cultural studies immigration studies government and public policy will find this book a valuable source of information about the present and the way in which the next generation develops in response to the immigrant experience

Native and Christian James Treat, 2012-11-12 Native and Christian is an anthology of essays by indigenous writers in the United States and Canada on the problem of native Christian identity This anthology documents the emergence of a significant new collective voice on the North American religious landscape It brings together in one volume articles originally published in a variety of sources many of them obscure or out of print including religious magazines scholarly journals and native periodicals along with one previously unpublished manuscript

God Is Red A Native View Of Religion Religion And Spirituality: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. God Is Red A Native View Of Religion Religion And Spirituality : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
