God Of Islam:

Allah: The Concept of God in Islam Yasin T. al-Jibouri, 2012-01-19 Humans are comprised of a body and a soul yet most of them take care of their bodies and forget about their souls This book wakes them up the author hopes and provides them with a dose of spirituality which they may never have had before This book is written for everyone and its stories will appeal to many if not most people who will find in them beauty and universality There is One God one human family started by Adam and Eve one truth one heaven one hell one right and one wrong and one religion Call any of these by any name it does not matter for calling a rose by any other name does not change its beauty hue aroma or anything else So is the case particularly with God whom the Muslims prefer to call All h for reasons which the book explains This Volume discusses the 99 Attributes of All h or how Muslims view their Creator Knowing a maker is done by knowing what he makes It discusses not only prominent figures but other beings as well jinns or genies angels demons etc It narrates interesting tales about a number of God s prophets and messengers such as Noah Moses Abraham David Solomon and Jesus Christ peace with them all and many many salutations

Who Is This Allah? G.J.O. Moshay, 2008 Is Allah the God of the Bible In any of the one hundred and fifty sects and sub sects of Islam the common denominator is Allah Who is this Allah Much has been written on the religion of Islam and its prophet but not much is said about the god of the religion One reason is the assumption that the god of Islam and the God of Christianity are one and the same When on September 11 2001 some Muslims carried out a well organized attack destroying the The World Trade Center and damaging the Pentagon a letter of last instruction from the leaders of the terrorist network was discovered Written in Arabic it says their mission was a service to God Actually this was a mistranslation The word the terrorists used is not the Arabic word for God but Allah The Arabic word for God is Ilah So they believed they were working for Allah not God Who is this Allah Were these terrorists extremists or were they serving the Allah of the Qur an The war against terrorism goes beyond overthrowing the Taliban regime in Afghanistan or even killing Osama bin Laden The war on terror may not be won unless we understand the Allah the terrorists say inspires them Not all Muslims are terrorists But the terrorists letter which is quoted fully in chapter three gives great insight into the Islamic religion and the motivation for religious terrorism in the world Why have we shied away from probing the identity of the Allah of Islam Possibly it is because if Allah is not the God of the Bible it would force us to face many ugly facts For example if Allah is the true God and the Qur an Islam s sacred book is true then Christians can be sure they are lost no matter how zealous they may be The reverse would also be true It is necessary therefore to provide sufficient information to enable you to determine your own verdict and answer the question Who is this Allah This book will do that

Allah Shaik Kadir, 2016-05-16 This book Allah Understanding God in Islam apart from describing what Islam is explains that all prophets sent by God including Prophet Abraham Prophet Moses and Prophet Jesus Jesus Christ were Islams prophets too and that Muslims must believe in them The book specifically informs readers that Allah is the same God of every human being of any
