God Remembers A Study Of Zechariah:

God Remembers Charles L. Feinberg, 2003-06-20 If any portion of the Old Testament has come in for undeservedly scant attention it has been the minor prophets Their significance has been obscured by our neglect Among the major messages of these prophets that of Zechariah shines forth with special prominence Zechariah s prophecy is given primarily to console and comfort weary Israel The nation s initial enthusiasm for rebuilding the temple and resettling the land had waned With growing opposition to the temple reconstruction they had turned to the pursuit of their own affairs Zechariah along with Haggai arduously seeks to bring Israel from their indifference to a complete spiritual return to the Lord The prophet s pronouncement is of a coming day of unparalleled glory a day when Messiah will rule the entire earth from Jerusalem The book s major eschatological importance can be clearly seen for it reveals a wealth of information about Messiah and about the future and role of Israel during the important Day of Jehovah The prophet provides this information for us in concise epitomized form In *God Remembers* Charles Feinberg brings a high level of scholarship to his study of this significant and exegetically difficult book His familiarity with and love for the Old Testament can be readily seen in his thorough and readable exposition of the message of Zechariah In addition to the main body of the commentary *God Remembers* includes an informative introduction thorough scripture and subject indexes and an annotated selected bibliography further enhancing the usefulness of this important reference work

Zechariah John MacArthur, 2023-12 The MacArthur Old Testament Commentary Series Explains the Scripture word by word Is true to the approach of expository preaching Is based on thorough exegesis in the original languages Presents the meaning and theology of the text with accuracy precision and clarity This volume of the MacArthur Old Testament Commentary Series MOTC explains the prophetic book of Zechariah Designed to aid the preacher this commentary is also intended to be read and applied by every believer for personal edification blessing and joy No eschatology is complete or true which does not embrace the prophecy of Zechariah Written to comfort Israel after the remnant s return from Babylon Zechariah s message assured the Israelites that the Lord had not abandoned His people Filled with visions prophecies signs and vivid imagery this revelation traces the flow of history to its climax when Christ will reign over the earth from His throne in Jerusalem

Zechariah predicted the coming of Alexander the Great the Roman destruction of Jerusalem the tyranny of the Antichrist the battle of Armageddon and the millennial reign of Christ The Messiah the Lord Jesus Christ is the primary figure in Zechariah's revelation Zechariah predicted Christ's entry into Jerusalem on a donkey His betrayal for thirty pieces of silver and His sacrificial death Zechariah also revealed Christ's future return to the Mount of Olives and the establishment of His kingdom over the earth At that time Israel will turn to God and the Lord will say They are My people and Israel will respond Yahweh is my God Zech 13 9 and so all Israel will be saved Rom 11 26 History will then reach its climactic point and Yahweh will be king over all the earth in that day Yahweh will be the only one and His name one Zech 14 9

Zechariah's Hope Paperback David C Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives

When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet. They would often ask questions or share their thoughts about Zechariah long after our devotional had ended. I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world. According to Proverbs, life is a series of choices between which roads we will travel. We decide daily to either take the path of the righteous or the way of the wicked. We choose regularly to either walk on the path of the wise person or stroll along the way of the fool. *Holman Old Testament Commentary - Nahum-Malachi* Stephen Miller, 2004-04-01. One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike. [The Zondervan Encyclopedia of the Bible, Volume 5](#) Merrill C. Tenney, 2010-08-10. Revised edition. Volume 5 of 5. The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years. Now thoroughly revised, this new five volume edition provides up to date entries based on the latest scholarship. Beautiful full color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a well-rounded perspective on significant issues relating to doctrines, themes, and biblical interpretation. The goal remains the same: to provide pastors, teachers, students, and devoted Bible readers a comprehensive and reliable library of information. More than 5,000 pages of vital information on Bible lands and people. More than 7,500 articles, alphabetically arranged for easy reference. Hundreds of full color and black and white illustrations, charts, and graphs. 32 pages of full color maps and hundreds of black and white outline maps for ready reference. Scholarly articles ranging across the entire spectrum of theological and biblical topics, backed by the most current body of archaeological research. 238 contributors from around the world. [The Pastor's Library](#) Robert A. Yost, 2017-09-21. In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools to commentaries and theologies, as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries, as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies. **Nelson's Old Testament Survey** Charles Dyer, Gene Merrill, 2003-07-15. This handy resource allows the reader to quickly summarize or review all the pertinent details about any Old Testament book. It includes complete but concise outlines of every Old Testament book. A succinct introduction for each book. Sections that identify each Bible author's theological emphasis. A *Forty-Day Study of the Biblical Story* Rick Jory, 2020-07-28 There is not much enjoyment in contemplating a single piece from a jigsaw puzzle It may create some level of interest but not much Even looking at three pieces or even ten pieces isn't that interesting What makes a jigsaw puzzle attention grabbing is the process of figuring out how the pieces fit together Slowly a pleasant unified comprehensible picture begins to appear The more complete that image becomes the more anxious we are to grab another piece and see where and how it fits In some ways the books and stories of the Old Testament are like the pieces to a jigsaw puzzle In and of themselves they create some level of interest but they don't become attention grabbing until we begin to see how the individual pieces relate to the whole For many the study of the Old Testament may never reach beyond looking at the individual pieces Nothing fits the pieces together How is the book of Leviticus connected to the book of Hebrews How is John's reason for writing his Gospel related to Psalm 2 How do we connect the covenant ceremony of Genesis 15 with the cross much less understand that ceremony to begin with Why is the book of Ruth included as part of the Bible What does it have to do with anything Or better yet why do we have the book of Esther where God is not mentioned at all What makes each of these important How are they related or are they In short how is God's story God's revelation unified And that's where A Forty Day Study of the Biblical Story comes in We journey through Scripture in a way that brings all of the bits and pieces into a unified whole because our focus is going to be on what makes the Biblical Story whole Jesus Christ We examine the Old Testament through the lens of what we learn about Jesus

Volume 2 The Boy Prophet This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the spring of 850 BC to his first resurrection in 849 BC to him drowning to death at sea in 826 BC Volume 3 Two Scrolls Not One This third volume picks up with Jonah s second resurrection in 826 BC reveals that Jonah was originally published as two scrolls not one explains why Nineveh repented in 824 BC and reconstructs Jonah s third resurrection in 799 BC Volume 4 Mysteries Unveiled This fourth volume synthesizes the entire historical reconstruction including an in depth look at the sign of Jonah and the Jonah Israel super sign typology that Jonah s life is a typological map of the history of Israel past present and future
