God Was Here And I Was Out To Lunch:

God Was Here and I Was Out to Lunch Rev. James W. Moore, 2001-09-01 Explores how due to our rigid preoccupation with our busy ness and routines we fail to sense or appreciate the presence of God all around us consequently we miss out on the chance to tap in to common sense we miss out on the chance to love God and others and we miss out on the chance to connect with Jesus Christ as our Lord and Savior In fifteen chapters Moore highlights hallmarks of the Christian faith that are essential and life giving for all persons and which can be ours if only we will learn to recognize God s majesty when it is near and open our lives to the change God offers 15 chapters with a study guide Appropriate for individual or group use

daily routine God often places responses and directions for us in ways we believe provide needed answers for whatever that is or will be there for us to deal with Those very words heard or read are often from something or someone nearby during our personal and regular activities or situation sharing needed encouragement direction or some type of help for any future issue that may arrive And yes of course God does provide answers with direction or loving blessings specifically for us straight
