Poverty is one spiritual weapon that Satan is using to afflict many today Many work so hard with absolutely nothing to show while others earn good money but inexplicably end up in debt at the end of the month This precedent is not natural as there is a spirit behind it It is a demonically sponsored activity The curse of poverty is real It is one stubborn curse that forcefully subjects the lives of its victims to acute financial misery wretchedness and abysmal failure despite their hard work Although those under the curse of poverty do obey all biblical principles on financial success yet financial prosperity still eludes them This is because once the curse is not dealt with and defeated financial progress for such individuals will continue to be a pipe dream In view of this the book BREAKING THE CURSE OF POVERTY has been written The book has been published to help victims of poverty who have obeyed all biblical principles on financial prosperity for years with nothing to show to overcome through rigorous prayers fasting and godly use of God given plants God did not just create natural plants for food but also for the spiritual healing and deliverance of nations Revelation 22:2 Hence if you have been paying your tithes giving offerings giving to the poor and following other biblical principles on financial prosperity with no positive result in your finances then this book is for you Getting a copy of this book might be the solution you have long been waiting for However everyone
