Christology in Dialogue with Muslims I. Mark Beaumont, 2011-09-01 This book analyzes Christian presentations of Christ for Muslims in the most creative period of Christian Muslim dialogue the first half of the ninth and the second half of the twentieth century In these two historical moments Christians made a serious effort to present their faith in Christ in terms that take into account Muslim perceptions of him with a view to bridging the gap between Muslim and Christian convictions produced by Muslim rejection of Christ's divine sonship and the death of Christ by crucifixion A comparative study is made of the contributions of three apologists from the early ninth century Abu Qurra Abu Ra'ita and Ammar al Basri and three twentieth century apologists Kenneth Cragg John Hick and Hans Kung in order to seek a model for dialogue on Christology between Christians and Muslims in the twenty first century *The Way of Righteousness* Paul D. Bramsen, 1998 **Beyond Secularism and Jihad?** Peter D. Beaulieu, 2012-07-13 Peter D Beaulieu examines the challenge posed by and to modernity and historic Islam as they encounter one another He compares the Western separation of Church and state with the unitary Islamic State and explores the proposed cultural and societal principles of the Second Vatican Council as potentially influencing long term events in both arenas Beaulieu's research is comprehensive and richly documented yet offers an accessible triangular inquiry into the mosque the manger and modernity By restoring a place at the table for Trinitarian Christianity alongside the engulfing monotheism of Islam and the alternative skepticism of Western rationalism this inquiry broadens the pallet of inter religious and intercultural contact points *Beyond Secularism and Jihad* provides balanced attention to the differences as well as the similarities between Christianity Islam and modernity An emerging theme is natural law which is universal and intrinsic to all mankind and not confined to competing theologies Neglected in the West that it helped create natural law might contribute to the needed grammar for dialogue between the citizens in the West and the followers of Islam **The Lifestyles of Islam** Nieuwenhuijze, 2022-05-20 **The Radiance of God** Tucker Boaz, 2025-05-29 Every day our brain is inserted with thousands of new and pertinent data One of the categories of data is our concept of God This concept of God recorded in our youth is now being crowded into a smaller and smaller proportion of

what is logged While many bits of information get lost or lose their prominence our concept of God lingers on but gets challenged It continues to shine through as spiritual This booklet explains how and why this spiritual component gets brighter through consecutive generations The Philosophy of Forgiveness: Vol III Gregory L. Bock,2019-03-05 The Philosophy of Forgiveness Volume III Forgiveness in World Religions is a collection of essays that explores the philosophy of forgiveness in different religions including Judaism Christianity Islam Hinduism Buddhism and Confucianism Each chapter scours one of these religions for insights on the concept of forgiveness asking questions such as whether forgiveness is a virtue whether it is conditional whether God has standing to forgive and whether it is permissible not to forgive some extreme wrongs In some of the chapters the concept of forgiveness in one religion is compared with that in another In other chapters the ideas of different traditions within a religion are compared and contrasted Also some chapters compare a religious concept to the views of a philosophical figure such as Aristotle Kant or Derrida The contributors to the volume come from various cultural and religious backgrounds and from different disciplines such as philosophy religious studies and psychology The collection is written for scholars graduate students and upper division undergraduate students interested in forgiveness or comparative religious philosophy Models of Religious Freedom Marcel Stüssi,2012 In this thesis the US Swiss and Syrian models of religious freedom are illustrated in legal settings The Analytical Representation comprises more than statements of positive law or mechanical comparison Each chapter is introduced by thought forms predominant in the respective legal culture The objective of the Methodological Representation is to investigate the logic and legitimate pattern by which the US and Swiss judiciary come to the conclusion that an alleged interference is covered under the right to religious freedom The last dimension which is the Eclectic Representation pursues a dual aim Firstly the idea is to develop an actual guideline of religious freedom rules and secondly to evaluate how much religious freedom is internalized in the US Swiss and Syrian legal systems Dissertation Series ReligionsRecht im Dialog Vol 12 *Christian Identity amid Islam in Medieval Spain* Charles L. Tieszen,2013-05-30 In Christian Identity amid Islam in Medieval Spain Charles L Tieszen explores a small corpus of texts from medieval Spain in an effort to deduce how their authors defined their religious identity in light of Islam and in turn how they hoped their readers would distinguish themselves from the Muslims in their midst It is argued that the use of reflected self image as a tool for interpreting Christian anti Muslim polemic allows such texts to be read for the self image of their authors instead of the image of just those they attacked As such polemic becomes a set of borders authors offered to their communities helping them to successfully navigate inter religious living **Understanding Islam, Part 2** Omar Sheikho Murad,2011 I am Dr Omar Sheikho Murad Originally I am from Zakho City Kurdistan Iraq I have settled down in London since 1996 as a refugee I have been in 2 wars and one violent uprising I have been in touch with human pain and suffering since very early in life till now I have witnessed all kinds of traumas and I have dealt with all kinds of wounds That is through my work as a medical doctor and as a trainee psychiatrist for the last 2 decades My job helped me
