God Man And The Dancing Universe Volume I:

Our Dancing Universe Jef Bartow, 2018-07-12 In this paperback 2nd edition of God Man and the Dancing Universe Part A Volume I is the 4 sections related to our dancing Universe from the Volume I hardback version It synthesizes 7 fields of study in a new more comprehensive model and description of our Spirit Matter Objective Subjective human universe It describes in detail the energies dimensions of experience and theories as to the makeup we call home By synthesis it not only integrates present and past theories but transcends them into a whole new metaphysics for the 21st century **Our Spiritual Destiny** Frederick R. Kipp, 2007-10-22 *Our Spiritual Destiny Manifesting New Bodies* discusses the ways that evolutionary forces are continuing to unfold through all gradations of life It explains the purpose of human life as the expansion of Consciousness in matter through ongoing body development We have the choice to fulfill this purpose consciously at an accelerated pace by changing and raising the matter of our bodies to a level of our divine essence Utilizing the capacities of our Higher Selves within an initiatory framework of growth and transmutation we can actively participate in our body development thereby helping to expedite the manifestation of new bodies The following are passages from various chapters in the book From Alignment Clarification Many of the ancient wisdom traditions sacred religious texts and modern day writers have all alluded to some form of physical transcendence life extension or the raising and refinement of the physical body From the past each culture religion or entity has its own interpretation and language of what the stories mean or symbolize and how they apply to the present day I believe that many of these references relate to physical ascension physical body perfection or physical immortality All include the same premise that our bodies are of a nature and essence which enable their transformation From *Our Journey into Matter* I have come to see all of creation as a work in progress gradually working its way towards fulfillment Through evolutionary forces matter is continually being prepared to express ever higher aspects of Consciousness in our physical life It may not always seem like it but I also believe we are important agents of change for the expansion of consciousness in the world Our immortal human spirit repeatedly reincarnates within humanity with increasing experience to help unfold and expand a higher plan for matter However our main problem with this task is that by taking physical form in matter bodies we cannot remember our divine origins in the inner unseen realms From *Remembering* Some religious scholars suggest that the essence of all sacred material is somehow buried deep within our being If this is true then helping us remember must be the intent and purpose of all divinely inspired sacred books spiritual literature and cultural myths in the world Somewhere in our Being or Higher Self we already know the purpose of physical life in matter As evolution progresses and our consciousness expands through time we are incrementally working towards remembering this purpose From *Spiritual Orientation and Alignment* For most of us the physical demands of our daily lives capture our conscious attention and vital energies This happens gradually within our ritualized patterns and daily activities Through this physical focus and orientation the crystallizing force in matter constructs barriers within our consciousness and bodies that maintain

and reinforce this alignment Because of its compelling and coalescing nature our life energies are drained through attachment to the form and routine of our lives As a result we usually feel and believe we have little left over to devote to our spiritual development From Health and New Body Alignment Most people have grown up with a body centered identity Everything about living in the world seems to condition us to identify with this orientation The realities of physical life throughout history have encouraged us to strengthen build up or perfect our natural body in one way or another This alignment has ensured the survival of our species Even today in our modern world we continue to value the attributes of physical strength fitness and vitality as the ultimate experience of a good life From the standpoint of our present bodies and our collective beliefs about them this orientation is helpful and necessary However *God, Man, and the Dancing Universe: A synthesis of metaphysics, science and theology* Jef Bartow, 2005-01 **Sri Guru Granth Sahib, Vol. 1**, 2005 **The Ministry of the Word, Vol. 23, No. 10** Various Authors, 2019-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Wonderful Christ in the Canon of the New Testament In these nine messages we continue to consider aspects of the wonderful Christ in the New Testament In Message 9 we see that Christ is our new Husband Our old man has been crucified to the law through the body of Christ so that we might marry another husband Christ who has been raised from the dead This joining indicates that in our new status as a wife we have an organic union in person name life and existence with Christ in His resurrection now we are married to Christ our new Husband Since Christ is our Husband we must depend on Him and take Him as our Head our person and our life In Message 10 we see that the Man Savior's ascension was His inauguration into His heavenly office In His heavenly ministry in ascension Christ is serving us by dispensing Himself as the reality of the New Testament jubilee into us for our enjoyment In Message 11 we see that because Christ is the reality of God with the divine attributes the reality of humanity with all the human virtues and the reality of every positive thing in the universe God's intention in His economy is that this Christ would become everything to us The will of God is one person Christ one way the cross and one goal the church as the Body of Christ and the one new man The way we should take is the way of opening our being to the all inclusive extensive Christ and allowing Him to make His home in us saturate us permeate us reproduce Himself in us and fill us to overflowing until we put off our culture and every natural element so that Christ is all and in all In Message 12 we see that we need to know and experience Christ as our kingly and divine High Priest according to the order of Melchizedek As the King He has the scepter to rule over the earth and to manage our affairs and as the High Priest He is interceding for us and taking care of our case before God As the kingly High Priest according to the order of Melchizedek Christ ministers to us the Triune God who was processed through incarnation human living crucifixion and resurrection signified by the bread and the wine as our life supply so that we may be saved to the uttermost in order to fulfill God's eternal purpose In Message 13 we see that we should live a Christian life under the

government of God It is Christ who enables us to take God's governmental dealings administered through sufferings As we live the Christian life under the government of God we experience the pneumatic Christ as the Shepherd of our souls who oversees our inward condition caring for the situation of our inner being our mind emotion and will and our problems needs and wounds restoring our soul and giving rest to our soul so that we may have the full enjoyment of Him In Message 14 we see that Christ as the faithful Witness of God the testimony and expression of God is for the testimony of Jesus the church as the corporate expression of the Triune God As such the church is the reproduction of the testimony and expression of God in Christ The testimony of Jesus is the seven golden lampstands The golden lampstand symbolizes the Triune God the Father as the substance is embodied in the Son the Son as the embodiment is expressed through the Spirit the Spirit is fully realized and expressed as the churches and the churches are the testimony of Jesus Hence the seven golden lampstands are the enlarged corporate expression of the Triune God In Message 15 we see that Christ is the Lamb whom the firstfruits the living overcomers follow The firstfruits are the earliest among God's crop to reach maturity and will be raptured to the house of God in Zion for God's satisfaction and enjoyment In order for us to follow the Lamb and go on to maturity to become the firstfruits we must walk with God by faith to escape death and obtain the testimony of being well pleasing to God In Message 16 we see the Lamb God on the throne within the holy city The throne of God and of the Lamb is the center of the New Jerusalem Out of the throne of the Lamb God flows the river of water of life When we are under Christ's kingship headship lordship and authority we enjoy the river of water of life and the tree of life The highest point in our spiritual experience is having a clear sky with God's throne above it to reach this point means that we allow God to have the preeminence in everything and are completely submissive to His authority and administration In Message 17 we see the ultimate revelation of Jesus Christ and the vision of the enthroned Christ as the Administrator in God's universal government As those who seek to know Christ and experience Him we have not only Christ but also the revelation of Jesus Christ The book of Revelation unveils a vision of the enthroned Christ as the Administrator in God's universal government Christ is the center of God's administration according to God's eternal economy In His economy God administers the universe to fulfill His purpose The unveiling of God's universal administration shows that the will the purpose of God in His creation is to have an eternal habitation the New Jerusalem for His satisfaction and expression The Lord Jesus has been enthroned to execute God's governmental administration in the universe The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior s God man living constituted a prototype for the reproduction of the God man in the believers who are reborn of the pneumatic Christ in their spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth **Sri Guru Granth Sahib, Vol. 2** ,2005 **The Institutes of Biblical Law Vol. 2** R.
