Elliott,2011-07-19 none Faith in Jesus Edwin Aaron Ediger,2012-10-11 What is the biblical gospel Do the scriptures give us a clear picture of what God requires or doesn t for salvation There is only one way to obtain salvation and the language context and logic of all of the Bible s authors demonstrate precisely what the authentic gospel message is The gospel must be clearly understood in order to tell others the good news of salvation Some have either added to or subtracted from the gospel thereby rendering it confusing misleading or ineffective The Word of God emphasizes the one true way of salvation from cover to cover No Bible student pastor teacher or Christian leader should be without this careful incisive and revealing analysis of the precision and clarity of the biblical language that unfolds the good news about Jesus Christ The reader is invited on a biblical journey with the original writers as they identify Jesus who gives eternal life to those who put their trust in Him **Divine Beauty Revealed** Youngra Kim,2025-09-11 This book explores the theological aesthetics of Jonathan Edwards through the lens of his biblical interpretation presenting a fresh and much needed perspective on one of America s greatest religious thinkers While previous scholarship has focused heavily on Edwards s philosophical or systematic theology this study uniquely centers his aesthetic vision on Scripture It argues that Edwards s understanding of beauty rooted in the Triune God revealed through Christ and reflected in creation is fundamentally shaped by his exegetical writings and pastoral vocation Engaging key works such as his Sermons Miscellanies Religious Affections and The Blank Bible the book demonstrates that Edwards s theology of beauty permeates core doctrines including the Trinity salvation ecclesiology and eschatology In contrast to Enlightenment rationalism Edwards upheld the Bible as the supreme source of truth interpreted through the Spirit enabled new sense of the heart This study fills a critical gap in Edwards scholarship by integrating his aesthetic theology with his biblical hermeneutics offering new insights into his vision of divine beauty and its transformative impact on the believer and the church He Is Risen H. M. Hyra,2022-04-06 He Is Risen is meant to be three sections each representing an important component of the Catholic faith A Portrait of Jesus presents our Savior in a way that may not be obvious to the casual reader The Bible is an inspired book dealing with a real world with spiritual overtones When reading the New Testament it may not be so obvious that Jesus is basically revealing something about the Catholic faith which is needed in order for the reader to grow in the faith However if Jesus is God and therefore allknowing he is not trying to add to his personal knowledge but presenting himself so as to be a model for how a person ought to approach the faith He also reveals his spiritual self as related to the Father and the Holy Spirit Defense of the Faith gives the faithful an opportunity to answer questions often asked by the unbeliever Included are brief resumes of individuals considered to have an atheistic outlook A section involving basic heresies that have attacked the Catholic Church over the ages is included A sample of

apparitions where the Virgin Mary became involved with nonbelievers attack on the faith makes for interesting reading America Yesterday Today and Tomorrow discusses how America became the strongest nation in the world However modern days have found the USA in competition with foreign nations Also the nation has become divided as the separation of church and state has forced power politics to be the order of the day The text looks at the Obama era as well as Trump s victory over Hillary Clinton The Trump era is compared to the latest victory of Joe Biden It is an interesting contrast and only time will tell if the nation can adjust to a polarization that now exists The text views four alternatives and how America s choice may affect the nation for years to come     *Viri Dignitatem: Personhood, Masculinity and Fatherhood in the Thought of John Paul II*

David H. Delaney,2023-10-30 In numerous works both before and after his papal election John Paul II offers ample reflection on the themes of personhood relationality and sexual complementarity but while he advances a clearly articulated theology of femininity and motherhood as in his apostolic letter Mulieris Dignitatem he might seem to offer no equivalent treatment of masculinity and fatherhood In Viri Dignitatem David Delaney seeks to surface and systematize the rich but often overlooked theology of masculinity and fatherhood that is found dispersed throughout John Paul II s writings demonstrating its essentiality for understanding his larger anthropology In the first part of the study Delaney treats the foundations of this anthropology establishing John Paul II s thought on personhood relation and human action Building on this the second part considers sexual differentiation drawing out from John Paul II s teaching on the body femininity Mary and the Church his corresponding perspective on masculinity which is itself rooted in nuptial complementarity and the revealing work of Christ The third part focuses on John Paul II s theology of fatherhood which Delaney presents as both a natural and spiritual vocation that is based on the Fatherhood of God as this is manifested and imaged by the incarnate Son Finally the fourth part provides a synthetic assessment of this theology of masculinity and fatherhood showing its coherence and addressing contemporary criticisms and misinterpretations At a time of accelerating crises of sexuality the family and fatherhood Delaney s Viri Dignitatem provides a welcome and important elaboration of John Paul II s teaching on the dignity and vocation of man     **The Two Great Mysteries in God's Economy** Witness Lee,1989-12     **The Collected Works of**
