God Speaks Again An Introduction To The Bahai Faith:

God Speaks Again Kenneth E. Bowers, 2004 *God Speaks Again* is a comprehensive introduction to the Baha'i Faith. Members of the Baha'i religion believe that periodically throughout history God has revealed Himself to humanity through Divine Messengers among them Abraham, Zoroaster, Moses, Krishna, Buddha, Jesus, and Muhammad, each offering fresh spiritual teachings suited for the age in which they appear. Bowers quotes extensively from Baha'u'llah's own writings which Baha'is regard as the most recent Divine Revelation for humankind, providing a welcome glimpse into its power and majesty. In placing the life of Baha'u'llah at the center of the story, he reveals an authentically inspiring figure and the inseparable connection between a new religion and an extraordinary human being touched by His Creator. **God Speaks Again** Kenneth E. Bowers, 2004. An introduction to the Baha'i Faith. God Speaks Again Kenneth E. Bowers, 2004. **The Kingdom of the Cults Handbook** Walter Martin, Jill Martin Rische, 2020-01-07. False religions abound in the US and beyond and Christians need information they can trust. Since the 1960s *The Kingdom of the Cults* has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians. *The Kingdom of the Cults Handbook* takes that same reliable information and pares it down into a more concise and simplified format. It's perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism, Scientology, and Wicca, this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems. **Significant Others** Monte Cox, 2017-09-12. A generation ago, most Americans had little or no contact with Muslims, Hindus, Buddhists, or any other adherents of non-Christian religions. Now, our culture is much more pluralistic. In addition to these others, many Westerners disenchanted with Christianity are more inclined than they were a generation ago to dabble in new spiritual alternatives that were not as readily available here before. Many Christians feel intimidated by these changes. Many Christians don't know how to engage their newest non-Christian neighbors in conversation, partly because they feel ignorant about the religions practiced by others. *Significant Others* seeks to fill this knowledge gap so readers will become more acquainted with the religious backgrounds of devout non-Christians they are meeting, as well as with the growing number of American people who claim no religious affiliation at all. Each chapter outlines the major world religions according to their significant founders or leading figures, significant beliefs and practices, significant sects and developments, and significant points of contact and points of contrast with Christian faith.

Millennialism, Millerites, and Prophecy in Bahá'í Discourse William P. Collins, 2025-09-22. This book explores the role of millennialism, the Millerites, and prophecy in the historical development of the Bahá'í Faith, especially in North America. The author demonstrates the importance of the Bahá'í religion to millennialism studies and its connection to certain Protestant, American, and Shia Islamic modes of thought. Bahá'ís see two millennial visions on far-separated continents within different

religious milieux and from contrasting social climates as spiritually and prophetically linked the Millerites who expected the return of Christ in 1844 CE and Shia Muslims who expected the Mahd Q im Twelfth Imam in 1260 AH 1844 CE The chapters in this volume reflect on theories about millennialist movements the continuum from catastrophic to progressive millennialism Bah interpretations of biblical prophecy and Bah efforts to build the Kingdom of God on earth under a systematic divine plan The book highlights the maturation of the Bah community toward a focus on process and a capacity to deal with both catastrophe and progress It provides scholars of religion with a detailed study of the trajectory in Bah millennial ideas

Prophet's Daughter Janet A. Khan,2005 *Prophet's Daughter* examines the extraordinary life of Bahiyyih Khanum, 1846-1932, the daughter of Baha'u'llah, founder of the Baha'i Faith. From the mid-nineteenth century to the early twentieth century, when women in the Middle East were largely invisible, deprived of education and without status in their communities, Bahiyyih Khanum was an active participant in the religion's turbulent early years and contributed significantly both to the development of its administrative structure and to its emergence as a worldwide faith community. Her appointment to head the Baha'i Faith during a critical period of transition stands unique in religious history.
